## QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms acid which excites the kidneys, they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, frequent of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

## GIRLS! DRAW A MOIST CLOTH THROUGH HAIR. DOUBLE ITS BEAUTY

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yet really new hair growing all over the scalp. If you care for prettiness, soft hair, and lots of it, surely get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents.

## Queen's County Dominion Election

To the Electors of Queens' County, Ladies and Gentlemen:

Six years ago Mr. A. A. McLean and myself were elected to represent you in the House of Commons. As the result of the election then held the Liberal-Conservative party came into power. During the years that have passed since then I have endeavored to the best of my ability to procure as large a portion as possible of governmental advantages for my native Province. The Government of the party I was elected to support, has done much for the betterment of our trade and commerce and our agricultural interests. It gave us the Car Ferry, increased grants to agriculture, the addition of \$100,000 annually to our provincial subsidy, secured for our Province four members for all time to come, built a number of wharves for the convenience of our farmers and shippers, also dredged the docks at Charlottetown and elsewhere.

When it is considered that for over three years of this period, the Dominion revenues have been urgently required for war purposes, I feel assured that our efforts are not unappreciated by the people of the Province, irrespective of party. I am convinced that what has been done will prove a lasting benefit to the Province and will afford a great impetus to our future prosperity.

During the last session of Parliament I was pleased to support Sir Robert Borden in his endeavors to unite the two great political parties which divide Canada in one Government. Such a consummation would insure a more vigorous prosecution of the war, and would be the means of raising with the least possible friction the necessary recruits to go to the assistance of our hard pressed brave boys at the front.

I am highly gratified that a Union Government has now been formed. It is composed of the strongest men of both parties and shall have my full support.

At the last session of Parliament an Act was passed establishing machinery for the holding of a Dominion election. It provided for the appointment of enumerators to make up lists of voters for all the polls. These will shortly be appointed. May I be permitted to request that every possible assistance be given the enumerators in the preparation of these lists, so that everyone in the County, entitled to a vote, shall have his or her name on the lists before polling day.

In thus giving an account of my Stewardship, permit me to state I shall be candidate for this County at the coming election.

The crisis which involves our Country is the most important in its history. It devolves upon everyone to consider well the issue raised: are the people of Canada to leave unsupported our brave boys at the Front, who have so long and so well fought for the preservation of our rights and liberties, and whose splendid deeds of heroism have covered Canada with glory and renown? It is impossible.

I respectfully ask for the votes of all true and loyal men and women of this large and intelligent County of Queens', assuring them that the best interests of our province and especially our soldiers shall have at all times my sincere support.

**D. NICHOLSON.**
