Sea View And Vicinity

The past week reminded all that winter was again with the high wind piled the snow in such banks making it impossible for the cars to continue in the country and there is also very poor lighting as in places the ground is quite bare.

The local stores here are doing a good Christmas trade and looking quite attractive with their decorations.

Mrs. James E. Murphy and little son, left recently for Halifax to take up their residence there. Mr. Murphy enlisted at the beginning of the war and is serving in the Navy.

Private Bruce Coulson of the Prince Edward Island Highlanders is spending a pleasant visit in Sea View with his parents, Mr. and Mrs. Joseph Coulson.

The Sea View W. I. held their December meeting at the home of Mrs. John W. Murphy. There was a good attendance of members and several visitors who the members were pleased to entertain. The new president Mrs. Earle MacKay capably presided and the meeting opened in the usual way with the Institute Ode and Creed. The new Secretary Marion Pickering called the roll and gave the minutes of the last meeting which gave rise to several items of business which were later discussed. The new secretary Marion Pickering reported sending a parcel of socks to Charlottetown also that the yarn had been procured for socks, sweaters and scarves those were almost completed and ready to be sent. The buying committee also stated that material had been procured for pneumonia jackets, etc. and Mrs. John Pickering kindly invited the members to her home to start sewing. A letter of appreciation was read from a sick member who had been remembered in illness. It was then decided to remember Mrs. J. E. Murphy who had been a faithful member for several years with a little gift, as she is leaving the community. Questionnaire for the meeting was discussed and filled out by the convener. The program committee then entertained with an interesting reading by Mrs. James E. Murphy also a berry contest which created much amusement. Mrs. James Murphy received the prize in this contest. The hostess for the January meeting is Millie Cousins and Laura Graham. Roll call to be answered. The donation through the Institute from the community to purchase yarn and Red Cross supplies was in the vicinity of \$20.00.

The many friends of Mrs. John T. McKay are pleased to learn she has recovered from her illness sufficiently to be able to be about again.

Mr. Leslie MacKay of the Steamship Brant spent the week-end at his old home in Darnley the guest of Mr. and Mrs. Arthur McKay.

Mr. Arthur McKay was a visitor to Summerside on Monday.

Mrs. Jossie MacGregor entertained the members of the Darnley W. I. at her home on Wednesday evening for their December meeting. There was a good gathering. President Mrs. James Hickey presided and opened the meeting in the usual way. Committee reported and the usual business discussion followed. The members were all busily engaged working for the Red Cross. Plans were made to purchase more material and to meet again as soon as the necessary articles and yarn arrived. A delicious lunch was served and a pleasant evening spent.

The hockey club of Sea View are planning for another season's sport and preparations are being made to open the Sea View Skating Rink at a later date.

Many friends will regret to learn that Mrs. Stanford Pickering, though somewhat improved in health, is still confined to her bed.

The farmers are all busy cutting firewood for the coming winter and the recent fall of snow has made sleighing good enough for hauling.

Messrs. John and Reginald Mountain, Darnley, were visitors to Summerside on Thursday.

The many friends of Mr. Preston Pickering regret to learn of his misfortune in falling from the loft of his barn injuring himself making it necessary for medical attention.

The people of Irishtown and surrounding communities gathered on Friday evening to tender a reception to Mr. and Mrs. John McLeod who had recently been married and to welcome the bride to their midst. This honored couple were the recipient of many useful gifts from many friends and a most pleasant evening was enjoyed by all. A delicious luncheon was served and all departed home after wishing this young couple many years of wedded bliss and happiness. Previous to her marriage Mrs. McLeod (nee Cole) received many gifts from the people of Spring Valley where she was most popular among her many friends.

On Thursday evening the people of Sea View gathered at the home of Mr. and Mrs. Joseph Coulson to do honor to their son Bruce who is a private in the P. E. Island Highlanders, and who was returning to join his regiment after spending a few days with his parents. When all had assembled Mr. Arthur Stewart was asked to preside and in a few well chosen words welcomed all in behalf of the host and hostess and explained the nature of the gathering. James W. Murphy then read a splendid address while Layton Coulson presented Mr. Coulson with a purse containing a neat sum of money in recognition of Mr. Coulson's return from military service and as a remembrance from his friends who were present. Mr. Coulson thanked all for their kindness in remembering him at this time and all joined in singing "For He is a Jolly Good Fellow." The evening was pleasantly spent in games and social intercourse after which lunch was served by the ladies and a social half hour followed.

The principal and pupils of Sea View School are completing their program for their Christmas concert.

Mrs. Edwin Donald entertained the members of Darnley and Sea View W.M.S. at her home on Thursday evening. Owing to the stormy evening the attendance was small. The president Mrs. Josie MacGregor presided and the meeting opened by singing hymn. O Come All Ye Faithful. The program for the meeting from the November Missionary Monthly was carried out by the different members. The first chapter of the Study Book Many Millions was given by Mrs. H. J. Donald basing her thoughts on the most interesting parts. As the meeting was small it was decided to leave the annual meeting to the next meeting when the officers would be elected. The devotional program was on Christmas and several members contributed readings and helpful thoughts on the topic. Roll call was answered with a Christmas thought. Plans were made to reorganize the Mission Band and a committee was appointed of Mrs. MacGregor, Mrs. Arthur McKay and Jean McKay to organize. It was decided to hold a special meeting between Christmas and the New Year. Delegates were appointed to attend Presbyterial on January 24th and 25th. A letter of thanks was read from Mrs. George Murray, Trinidad, thanking members for Christmas parcel sent. The last verse of O Little Town of Bethlehem was used as a closing prayer. The mite boxes were opened and the Christmas offering was given. The members were pleased to have several visitors present. The hostess served refreshments at the close of the meeting and a social hour followed.

The many friends of Mrs. Lee Brennan are indeed sorry to learn of the illness of her little daughter Pauline in the Children's Hospital in Halifax where she has been for the last few months for treatment when the little one was stricken with pneumonia. The latest word she was somewhat improved. All sincerely trust she will soon be able to return to her home in Darnley.—V.
