What Sulphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and indeed your old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect. Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafer. They are small chocolate coated pellets and contain the active medicinal principle on sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafer is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins while experimenting with sulphur remedies soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples, and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafer is a proprietary article, and sold by druggists, and for that reason touted by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin disease as this remedy."

At any rate people who are tired of pills, cathartics and so-called "purgers," will find in Stuart's Calcium Wafers, a far safer, more palatable and effective preparation.

Defenders Defeat Britannias 10 to 5 in Crystal Rink Last Night.

The game of hockey in Crystal Rink last evening between the two first teams of the local club, Defenders and Britannias for the Hunt trophy gave splendid sport to a good crowd of spectators. Though the scoring was considerably in favor of the Defenders in the first half, the second half of the game proved the teams to be pretty evenly matched and towards the close of the game interest grew intense. When the bell for half time rang the Defenders had five to their opponents' one while in the latter half the scoring was more even, resulting in a total of ten goals to five in favor of the Defenders. Both teams had players who did credit to themselves and promise to keep up the standard of the hockey sport.

The teams were as follows:—Defenders: Goal, Alfred Reid; Point, Eddie Smith; Cover Point, Russell McKinnon; Forwards, Sterling Phillips, James Woods, Harry Cooke, Edward Perry.

Britannias—Goal, Walter Gerrard; Point, Wm. McMurdo; Cover Point, Wm. Sprank; Forwards, Ezra Combon, Henry McDonald, George Deegan, Joseph Gallant.

Charles McDonald refereed the game satisfactorily. The Boys Own Band furnished choice music and the spectators were given an hour's skating after the match.

ONE OF THE VILEST DISEASES

It attacks which first attacks the nose and throat and finally spreads through the system. The one sure cure is fragment healing Catarrhizone which is sent by the air you breathe direct to the root of the trouble. Mr. P. Y. MacFar of Yarmouth, suffered for years from catarrh and says, "In my long experience with catarrh disease I never used any remedy that relieved and cured so promptly as Catarrhizone. When my nostrils were so stuffed up that I could not breathe, I found a few inhalations of Catarrhizone was sufficient to clear away the mucus. I am perfectly cured by Catarrhizone and free from the disease entirely. Use only Catarrhizone. Complete outfit \$1.00, trial size 25c."
