ELECTRICAL STORM—Yesterday's electrical storm seems to have been generally felt over Prince and Queen's Counties, in Charlottetown it was particularly severe and several residences were damaged. A house on Bayfield street occupied by Mrs. Wm. Rodd was struck. The current entered by the kitchen flue and went down into the kitchen, tearing up the oil cloth and the sink. Miss Mabel Rodd was in the kitchen at the time and received a severe shock but fortunately not serious. The residence of Mr. Samuel Craig on Elm Avenue was also struck, the kitchen flue being knocked down. The kitchen was covered with soot and a hall of fire was seen near the wall. In Mr. H. R. Large's residence which is on the same street, the inmates had also a narrow escape. The lightning came out by the fire alarm with a loud report, there being a ball of fire of considerable size, but fortunately no damage was done to the building. Several other residents report having had startling experiences but no serious accidents are yet reported. At Newlands, the home of Mr. A. E. Dewar, the lightning struck and shattered a tree and the telephone line but fortunately did not damage the house although a member distinctly felt the shock.
