### Magical Effect on Neuralgia

Throbbing Pain Goes Quickly

A YEAR'S SUFFERER CURED BY "NERVILINE."

No person reading this need ever again suffer long from Neuralgia. Nerviline will quickly cure the worst Neuralgia, and Mrs. G. Evans in her strong letter written from Russell post office, says:—"One long year the longest of my life, was almost entirely given up to treating dreadful attacks of Neuralgia. The agony I experienced during some of the bad attacks was simply unmentionable. To use remedies by the score without permanent relief was mighty discouraging. At last I put my faith in Nerviline; I read of the wonderful pain-subduing power it possesses and made up my mind to prove it valuable or useless. Nerviline at once eased the pain and cured the headache. Continuous treatment with this magic-working remedy cured me entirely, and I have ever since stayed well."

Mrs. Evans case is but one of hundreds that might be quoted. Nerviline is a specific for all nerve, muscular or joint pain. It quickly cures neuralgia, sciatica, lumbago, lame back, neuritis and rheumatism. Forty years in use and today the most widely used medicine in the Dominion. Don't take anything but "Nerviline," which any dealer anywhere can supply in large 50c; family bottles, or in small 25c trial sizes.

### Synopsis of Canadian Northwest Land Regulations.

THE sole head of a family or any male over eighteen years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry by proxy may be made at any Dominion Lands Agency but not Sub-Agency on certain conditions. Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter-section along side his homestead. Price \$3.00 per acre. Duties—Six months residence in each of three years after spring homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions. A settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months in each of three years cultivate 50 acres and erect a house worth \$300. The area of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.
