Moran, 60 years of age, resident of Charlottetown, who died in his room in the King's County on Saturday morning. He had been suffering from diabetes for a number of years and had been examined by Dr. Kennedy, Georgetown, the jail physician on Friday. He was last seen alive at three o'clock Saturday morning and about two hours later his death was reported to Mr. George White, the jailor, by his fellow prisoners. In their verdict the jury recommended that direct communication be established between the prisoners' quarters and the room where the jailor sleeps. CASE DISMISSED—A case came before Magistrate Walter E. Darcy on Friday when a man from the vicinity of Cranberry was charged with driving an automobile under the influence of liquor. The case was dismissed. Constable MacArthur, who made the arrest gave evidence that he saw the accused driving a car on the road to Read's Corner, taking all the road. He found the car reeking with the odor of strong drink. The accused and several other occupants of the car swore to being together all evening and that the accused had had nothing to drink. The magistrate in giving his decision said he thought that the evidence of Constable MacArthur was sufficient to warrant a conviction, but as the witnesses for the defence had sworn on oath to being with the accused all evening and that he had not touched any liquor, he felt he must give the prisoner the benefit of the doubt. At the same time he delivered a severe warning to the accused and his associates.—S

A very pleasing Chopin program was given by the members of the Women's Music Club at their meeting of November 30th. Mrs. Lawson's paper, "The Life and Works of Frederic Chopin," reflected to perfection the characteristics of Chopin and his music. A most sympathetic setting for the very fine musical numbers of the program. Chopin belonged to the romantic school of composers, and as a romance writer for the pianoforte, he had no models and will have no rivals. It has been said that all possible expressions are found in Chopin's pianoforte compositions and all are sung by him upon this instrument in perfect beauty. During the reading of the paper, a group of Chopin songs, "The Maiden's Wish," "The Birdling," and "Lithuanian Folk Song," were sung by Mrs. Roger, accompanied by Mrs. Keith Rogers, a Chopin Etude Opus 25, No. 7, a study in tone, of great beauty, was played by Miss Lilian MacKenzie, and a group of four preludes by Mrs. Full. Of the Chopin Preludes, a musical thought, perfectly expressed. They represent every emotion. Those played were Nos. 21, 22, 23, 24. The whole program, which was performed with outstanding ability was completed with the following numbers: "Estancia," a waltz song by Arduin, Mrs. Roper; Chopin Fantasia in F. Minor, Miss MacKenzie; Aria from Gounod's "Romeo and Juliet," Mrs. Roper; Chopin Scherzo in C. Minor, Mrs. Full.

ISLANDERS AT BELLE ISLE—Mr. Milton L. Myers, officer in charge of the Government radio station at Belle Isle, a native of Prince Edward Island, has made arrangements through a local station to keep in touch with his family at Canis, N.S., before he and his little colony are shut off from the outside world by ice. He reports that Mr. and Mrs. Charles Carbonell, of Charlottetown, are at the station, as housekeeper and handyman, and that Mr. Borden Myers, another P. E. Islander who had been with the station since Oct. 29, was leaving on the last boat.

Many friends will regret to learn of the death in Michigan of Alexander MacDonald, son of Mrs. MacDonald and the late John A. MacDonald of Grand River. The young man had not enjoyed very good health but it was thought that he was improving, and his death was a great shock to his mother and brothers and sisters.

There are left to mourn besides his sorrowing mother, five brothers Wesley and Albert at home in Grand River, Daniel, Joseph and John in Vermont and the following sisters: Mrs. Alex Fisher, Lot 14; Janie and Mary in Boston; and two sisters in Religion. The remains arrived home on Thursday evening and were conveyed to the home of his mother, Mrs. John A. MacDonald. The funeral will take place on Saturday morning from his mother's residence to the R. C. church at Grand River.—S.

A Law Every Mother Should Know and Observe Never Give Your Child An Unknown Remedy without Asking Your Doctor First

According to any doctor you ask, the only safe way is never to give your child a remedy you don't know all about, without asking him first. When it comes to "milk of magnesia," that you know everywhere, for over 60 years, doctors have said "PHILLIPS' Milk of Magnesia for your child." So—always say Phillips' when you buy. And, for your own peace of mind, see that your child gets this; the finest men know. Made in Canada.
