—BIRTHDAY PARTY—The Women's Institute of Linkletter Road held a very enjoyable social and New Year's Day at the home of Mrs. Walter Schurman of Linkletter Road. The social was in the form of a birthday party, each guest bringing a cent for every year of their age. There were about fifty guests and a very pleasant time was spent in music and games. Refreshments were served by the ladies. The money obtained by this novel means, which amounted to a tidy sum, goes towards the Institute funds. S.

—RETURNS FROM MONCTON—Professor S. A. Rockford of Summerside, returned from Moncton, N. B., this week, where he had been overlooking the best horseflesh of the district on behalf of Mr. MacIntosh, a large and well known farmer of Tignish. He brought back a beautiful matched pair of farm horses, tipping the scales together at 3,150 pounds. Mr. Rockford received a very tempting offer for the near horse, but would not split the pair. This team will be used exclusively by Mr. MacIntosh on the potato planter, cultivator and digger, he being now one of the leading potato growers in the west of the Province. Mr. Rockford also brought back from Moncton the famous and beautiful gaited trotter, "Peter Will Tell," with a record of 2.07½, well known to all Island horsemen. Mr. Rockford gave this horse a brush on Water Street on New Year's Day, where he was much admired. This speedy one will take a prominent part in the ice races at Summerside and elsewhere this winter. —EXHIBITION GAME AT ALBERTON—The Summerside C. Y. M. L. Cubs crossed sticks with the Alberton Regals at the Alberton rink on Thursday evening in an exhibition game. It will be remembered that the Alberton team were the champions of the MacLean hockey trophy last year. There was a very good attendance, a number of fans going up from Summerside with the C. Y. M. L. team. The game was won by the Regals with a score of 3-1. The score is no indication of the game, which was hotly contested on both sides and a large number of penalties were handed out to each team. The lineup of both teams was the same as last year, with the exception of O'Brien and Jeffrey on the Alberton team and Ernest Gaudet, better known as the "Iron Duke," who is now playing with the Kensington team, on the C. Y. M. L. team. He has been replaced by Reginald Phillips, who played in the Victoria's of Charlottetown last year. The game was very efficiently refereed by Jack Matthews of O'Leary and Eddie MacKinnon of Summerside. The Summerside boys returned home very enthusiastic over the cordial reception they received from the Alberton boys and are anxiously awaiting for good hard ice when they will play the return game with Alberton on the Summerside rink. On the previous night Kensington and O'Leary met in the O'Leary rink for the first exhibition game to be played by the Prince County Intermediates. Kensington won after a well fought battle with a score of 6-3.

...INSTITUTE MEETING—The December meeting of the Launching Women's Institute was held at the home of the President, Mrs. Frank McPherson, with twenty members and three visitors present. Meeting opened by singing Institute Ode, followed by roll call and reading minutes of last meeting. A discussion on raising more funds took place, also on sending one member to the short course to be held in Charlottetown, but no definite arrangements were made. A donation of five dollars was received from Miss Christina Walker, of Boston, Mass., in aid of School Library. Meeting closed by singing National Anthem and serving of a very dainty supper by the hostess. Next meeting will be held on January 30th, roll call to riddles or jokes.

—THANKED BY PRIME MINISTER—Some years ago Bedeque Bay produced large quantities of the most delicious oysters and it now seems apparent that one or two of the old beds near Hurd's Point are coming back after having been barren for a number of years. A few barrels off one bed have recently been fished, and Mr. J. J. Gaudet, proprietor of the Capitol Theatre and Tea Rooms, Summerside, struck the happy idea of sending some as a New Year's compliment to Premier King. On Friday morning he received the following telegram of acknowledgement:—"Delicious oysters sent by you arrived safely at Laurier House New Year's eve. Have sent one half the portion to Honi Mr. Cardin at Sorel. Warmest thanks for this welcome gift and best wishes for the New Year. W. L. Mackenzie King." S.
