MOTOR ACCIDENT—What might have proved a serious or possibly fatal accident occurred about 8 o'clock Monday evening when a car went over the approach to the Hillsboro Bridge on the Southport side without injury to the occupants save a shaking up. A young lady with several children was driving off the bridge when in some manner the car swerved to the left going over the side of the approach and landing on the large stones below. The tide was in at the time but the bulky stones kept the car from going into the water. The occupants made a hurried exit and in a short time a crowd gathered and a rope was fastened to the rear axle of the car which was not at that time damaged. The couple, who were unattended took their place under an arch of mock orange blossoms from the centre of which was suspended a large wedding bell. The bride was becomingly attired in a gown of rose beige crepe and with a wreath of orange blossoms in her hair and carried a shower bouquet of carnations and maiden hair fern. At the conclusion of the ceremony congratulations were extended to the newly married couple, after which the guests to the number of upwards of fifty, the immediate relatives and friends of the contracting parties sat down to a sumptuous repast. The bride's sisters were assisted in service by Miss Mabel MacLeod, Mrs. Allan Cummings, Mrs. Cyrus Martin and Mrs. Daniel Cummings. The number and quality of the wedding gifts bore testimony to the popularity of the bride and groom. Much amusement was caused by the large number of charivariers who came from far and near to pay their respects to the newly wedded pair and who, after having been generously treated departed in as orderly a manner as they had come. The happy young couple motored to their future home in North Wilshire, followed by the best wishes of a host of friends.

As a result of the inquiry published in yesterday's Guardian relative to the nearest of kin of the late Alfred Chester MacNeill, late of the South African Police, the information has been volunteered that the father of the deceased man, Mr. Joseph A. Efforts to locate him ended in failure. Recently a communication was received by Chief of Police Birtwhistle from the Chief of Police at Kimberley, South Africa, requesting him to locate, if possible, the nearest of kin of the deceased man. It is with deep regret that The Guardian chronicles the news of the death at Dayton, Ohio, yesterday of the Right Reverend Louis J. O'Leary, D. D., Bishop of Charlottetown. Official confirmation of the news did not reach Charlottetown until 6 p. m. last evening, when a telegram from Rt. Rev. Monsignor Maurice MacDonald was received announcing the Bishop's death and announcing that the remains will arrive in Charlottetown at 6:30 Friday evening. Monsignor MacDonald, who left for Ohio on receiving word a few days ago of the very serious condition of His Lordship will return with the remains and will be accompanied, it is expected, by Archbishop O'Leary of Edmonton.

Arrangements are being made to hold the funeral here on Tuesday next. In ill health for several months past, Bishop O'Leary consulted a New York specialist about a year ago and on arriving home was compelled to enter the City Hospital as a patient for some time. Although last summer he assisted in the dedication of the Basilica and the laying of the corner stone of the Church of the Most Holy Redeemer, the task was almost too much for him and he again entered the City Hospital where he received every attention. On his physician's advice he left for Montreal to consult a specialist. En route his condition became such that he was obliged to stop off at Richibucto and from there proceeded with his brother, William, who came from Dayton, Ohio, to meet him and a trained nurse, to Montreal.
