What's all this talk about Saving money?

IT ALL ADDS UP TO THIS:

Almost everybody admits that putting something aside every pay-day is a good idea. For one thing, it's a comfortable feeling to know that, come what may, there's a nice cushion in the bank to fall back on. For another, it's good for your self-respect to realize that at least part of what you work for is yours after the bills are paid.

Saving is far from easy in these days of high prices. But now, as always, the hardest part for most people is making a start and establishing the habit of saving.

Opening a savings account at The Bank of Nova Scotia is a pleasant and stimulating experience in any case. And possibly, without quite realizing it, you've already accomplished the first step. If you have War Savings Certificates maturing, now is the time to talk to the Manager of our nearest Branch about using the proceeds to start building security for the future.

THE BANK OF NOVA SCOTIA
T. F. Mitchell, Manager, Charlottetown, P.E.I.
