

MEMORIAM.

At Eldon, on May 25th, Bertha McDonald, beloved wife of John McDonald, aged 48, passed to her reward, after a few weeks illness, which was borne with Christian re-

signation. Mrs. MacDonald gave her heart to God when young and lived a faithful follower of the Lord Jesus. During her last sickness she found great comfort in hearing the word of the Lord read, the prayers of her pastor and friends, and the singing of favorite hymns. She passed peacefully away safe in the arms of Jesus. On Monday the 27th a large number of relations and friends gathered to pay their last respect to her, and to help and comfort those borne down in sorrow, when the funeral services were being held at the home she had just left for the Eternal Home above. The Rev. Mr. McKenzie conducted the services, assisted by Rev. Mr. Dresser. "May God, our Heavenly Father, comfort and strengthen the husband in this dark hour of trial, as well as the five children left to mourn a loving mother." Nor would the writer forget the mother of her who has gone or the sisters, may they also receive the help they

so much need and can be found only in God our Father.—Com.

CAMAGUEY COMPANY LARGE INCREASE OF EARNINGS.

Returns for the four months ending April 30th, 1912, show an increase in net earnings of more than 23 1/2 per cent over those of the corresponding period of 1911. As the net earnings for the year 1911, show an increase of over 20 per cent on the previous year, this company would seem to be making very satisfactory progress.

IF WE ONLY UNDERSTOOD.

If we knew the cares and trials, Knew the efforts all in vain, And the bitter disappointment, Understood the loss and gain— Would the grim eternal roughness Seem—I wonder—just the same? Should we help where now we hinder? Should we pity where we blame?

Ah! we judge each other harshly, Knowing not life's hidden force, Is less turbid at its source; Seeing not amid the evil

All the golden grains of good; And we'd love each other better If we only understood.

Could we judge all deeds by motives That surround each other's lives, See the naked heart and spirit, Know what spur the action gives, Often we should find it better, Purer than we judge it should, We should love each other better If we only understood.

Could we judge all deeds by motives, See the good and bad within, Often we should love the sinner All the while we loathe the sin; * Could we know the powers working To overthrow integrity, We should judge each others' errors With more patient charity. —Rudyard Kipling.
