WHILE driving home from Summerside Wednesday evening about five o'clock Mr. Samuel Garrigan of Tryon drove into an opening in the ice near the mouth of Dunk River. Mr. Joseph Gallant who happened to be driving by saw the accident, and drove to the home of Mr. Abraham Schurman for assistance. Mr. Schurman and his son returned with him and with a good deal of difficulty and danger to themselves succeeded in rescuing Mr. Garrigan and his horse. Had no assistance been at hand Mr. Garrigan would no doubt have been drowned. To avoid accidents of this kind it will be advisable to stick to the dryest and safest places, both in Summerside and on the ice—during the remainder of the spring at least.

Rev. W. H. Warren's illustrated lecture in the Baptist Church Thursday evening, was owing to a number of other attractions, not as well attended as it should have been. Those who missed it, missed a rich treat, as both lecture and views were unanimously voted among the best things of the kind ever given here. The views were simply magnificent—carefully selected, well photographed and very clearly thrown on the canvass. Although the views were exceedingly good, the Scottish scenes probably on account of the thrilling interest attached to most of them, called forth the greatest enthusiasm on the part of the audience. The descriptions of scenes visited, showed very pleasingly the carefulness with which the lecturer had studied every detail of his subject, making the lecture an instructive and interesting lesson in the history and literature of the Mother Land. Rev. Mr. Grant presided.

ULCERS 35 CURED BY CUTICURA. My mother has been a victim to ulcers from various veins for thirty-five years. Eleven of these terrible sores have existed at one time on the limb affected. Excruciating pain and intense suffering were endured, with all sorts of remedies on trial and numberless physicians' calls and prescriptions applied, all with but little benefit. At last the remedial agent was found in CUTICURA, which surely proved worth its weight in gold, alleviating pain and causing healing processes to commence and a cure speedily effected. CUTICURA SOAP is cleansing, purifying, and healing in its nature, proving itself a most excellent and valuable auxiliary to CUTICURA (ointment). Sold throughout the world. W. T. MORSE, Cabot, Vt. GIVEN UP TO DIE Was Mr. E. N. Stowell, but Dodd's Kidney Pills Cured Him. Brookville, Mar. 27.—When an eminent physician notifies a sick man that his case is hopeless and that he must die, he is it may be taken for granted, in a pretty bad way. That was the position of M. Ed. N. Stowell, of this city, not long ago. He had suffered all the agonies of Bright's Disease for several years. The ablest physicians had pronounced his case hopeless, and he began to "set his house in order," when a friend urged him to try Dodd's Kidney Pills. One box put new life in him, several boxes cured him. Now his friends hardly know him for the same man. Score one more for Dodd's Kidney Pills.

Divorce Court. Clinton, Ia., March 28.—After an exciting trial of two days Judge Wolfe held that Mac Willie Hadley, the New York actress, was entitled to the custody of her child. Mr. Bowser's Luck. He Hasn't Suffered Since Taking Dodd's Kidney Pills. Before That he Suffered Severely With Pains in the Back—Dodd's Kidney Pills Banished the Trouble in a Few Days.

St. John, N. B.; Mar 31.—There are many so-called "remedies" for Kidney Disease, that will give a certain measure of relief, while they are being used. The reason is that such compounds contain drugs which dull the pain, while the system is under their influence. Very soon after the use of the "remedy" has been discontinued, the pain returns with redoubled severity, and the condition of the patient is worse than it was before the use of "medicine" was begun. Dodd's Kidney Pills are the only Kidney medicine on earth that permanently cures Kidney Disease in all its forms. Once a person has been cured by Dodd's Kidney Pills the disease has banished for good. Years may pass, other diseases may attack the system, but Kidney Disease—never. The case of Mr. W. H. Bowser, of this city, is an unimpeachable proof of this. It is quite a long period since Mr. Bowser was cured by Dodd's Kidney Pills. He is still cured. He still knows, and says that Dodd's Kidney Pills, are "A splendid tonic." "A positive cure." "They are good enough for me." Is not this the kind of a medicine you would want to take if you were sick with Kidney Disease, or would you prefer one that will give you a certain measure of relief while you are using it only. There is no fact better known to the medical profession of Canada, than that Dodd's Kidney Pills are the only reliable and unailing cure for diseases of the Kidneys. Thousands of people have been saved from early deaths by this wonderful medicine, during the past few years.

German Warship Ashore. Berlin, March 28.—The German battleship Oldenburg broke its anchor and went aground near Kiel today during a heavy snow-storm. PLUNGED TO HIS DEATH. Insidious Disease Lurks Everywhere. A bright young man in Grey County, Ont., thoughtlessly plunged into the lake at a summer resort when the blood was above the normal heat. The shock stopped the kidneys work. Poisons which should have been carried off were circulated through the system. Dropsy was the result, and one bright autumn the mourning badge was on the door, and a promising young life was snuffed out. He trusted himself to skilled physicians, but they failed to do what South American Kidney Cure would have done. It clears, heals and puts and keeps the kidneys in perfect action. A specific for all kidney ailments. Sold by S. W. Dodd and G. E. Hughes.
