DR. GUERIN MAYOR OF MONTREAL.

MONTREAL, Feb. 2.--The reform ticket has swept the city in the municipal elections and Montreal is rejoicing at the release from the thralldom of the old civic ring.

It was one of the liveliest municipal campaigns on record, owing to the active efforts of the Citizens' Association to elect a reform slate, and the equally active, but less concerted work of the discredited aldermen to combat their work.

Surprisingly little municipal politics have been talked, the race cry being worked throughout. Senator Casgrain, as the reactionary candidate for the mayoralty, made a straight campaign to play for the French-Canadian vote and the reform element replied in kind even to the extent of bringing into the campaign the fact that Senator Casgrain married an English wife, while his children hardly speak French.
