RIPANS

My troubles were due to lack of physical exercise. I was recommended to try Ripans Tablets, and it is a sufficient testimonial to their efficacy in my case to say that now I always keep them conveniently at hand, in both house and office.

E. M. Doull is home on a visit. He crossed by the Tormentine route from P. E. I. last Saturday. He described the experience getting across as the coldest of his life. They came across in an ice boat. Sometimes they had water to float the boat, and sometimes the ice carried the boat, they then pulled the boat hitherto to it with straps. It can be remembered what a cold day Saturday was. - New Glasgow Chronicle.

A very successful temperance meeting was held in Clinton on Thursday evening last, 12th Feb'y. There was a large number present and the choir furnished excellent music. Addresses were given by David Arbing and Rev. J. Dystant. The grand scribe was present and gave a reading. At the close of the meeting the Division was re-organized with a membership 31 with more to follow. Peter Warren is W. P. No doubt this organization will do a good work.

THE death took place at his home in St. Peter's on the 12th inst. of William Henry Smith, aged 29, son of Benjamin Smith. Deceased was a young man of sterling qualities, and was very popular in the community. He died fortified by the last rites of this Catholic Church, of which he was a consistent member. He leaves to mourn sorrowing parents two brothers and two sisters. His mother we regret to learn, is seriously ill and much sympathy is felt for the bereaved family.

20 YEARS OF ITCHING PILES. Mr. Alex. McLaughlin, Bowmanville, Ont., writes that for twenty years he suffered terribly from itching piles. Seven years ago he asked a druggist for the best cure for piles and was told to use Dr. Chase's Ointment. He continued this treatment until entirely cured, and as he has never had any return of his old trouble considers his cure permanent and is remarkable on account of the length of time he suffered.

M. P. A. A. - Sanction of this Board is hereby granted the Dartmouth Companies Athletic Club for the holding of the following events to be contested in the Dartmouth rink, Dartmouth N. S. on Thursday evening the 19th of February 1903. 1 Mile Amateur, Open; 1/2 Mile Amateur, Open to boys under 18. 1 Mile Amateur, Open to Militia; 1 Mile, Open to Firemen; Hose Coupling Competition, Open to Halifax and Dartmouth Firemen, and Obstacle Race, Open.

Rev. Geo. J. Bond, formerly of Halifax writing editorially in the Christian Guardian, of Toronto, says: "Eight of the Canadian football team" remained in London, and did not join in the Sunday game in Paris. All honor to them. Their names are Demeolis Darling, McClure, Marshall, Baird, Fearey, Schofield and Randall. Seven others of the team went to Paris, and disgraced themselves, and dishonored the name of their country by playing in a scotch team, on Sunday week, against the Racing Club of France. The Sabbath-breaking Canadians had to be helped out by three of the London Scottish and four French players. And this precious international 'combine' referred to by a Frenchman, who is said to have known nothing of the game, was roundly beaten by eight to three, amid frantic cheers for the French triumph! We are heartily glad they were beaten, and we have no doubt these seven Canadians went back to London sadder but wiser men."

A DAILY NUISANCE.

A Simple Remedy Which Will Interest Catarrh Sufferers

In its earlier stages catarrh is more of a nuisance than a menace to the general health, but sooner or later, the disease extends to the throat, bronchial tubes and even to the stomach and intestines.

Catarrh is essentially a disease of the mucous membrane, the local symptoms being a profuse discharge of mucus, stoppage of the nostrils, irritation in throat, causing coughing, sneezing, gagging and frequent clearings of the throat and head. The usual treatment by local douches, snuffs, salves, etc., often gives temporary relief, but anything like a cure can only be obtained by a treatment which removes the catarrhal taint from the blood and the disappearance of the inflammation from the mucous surfaces.

A new remedy which meets these requirements and which so far has been remarkably successful in curing catarrh is Stuart's Catarrh Tablets.

These tablets act upon the blood and mucous membranes only. They can hardly be called a secret patent medicine as they are composed of such valuable remedies as Blood Root, Hydrastis, Red gum and similar cleansing antiseptics, which cure by eliminating from the blood and mucous surfaces the catarrhal poison.

Stuart's Catarrh Tablets are large, pleasant tasting lozenges taken internally, allowing them to dissolve slowly in the mouth, in this way they reach the throat fauces and the entire alimentary canal. If desired, they may also be dissolved in water and used as a douche, in addition to the internal use, but it is not at all necessary to use a douche, a few of them dissolved in the mouth daily will be sufficient. However, when there is much stoppage of the nose, a douche made from these tablets will give immediate relief, but the regular daily use internally of these tablets will cure the whole catarrhal trouble without restoring to the inconvenience of a douche.

Dr. Demont states "that the internal treatment for catarrh is rapidly taking the place of the old plan of douching and local application and further says that probably the best and certainly the safest remedy at present on the market is Stuart's Catarrh Tablets, as no secret is made of their composition and all the really efficient remedies for catarrh are contained in this tablet."

Druggists sell Stuart's Catarrh Tablets at fifty cents for full sized packages. Ask your druggist and if he is honest he will tell you there is no safer, more palatable, more efficient and convenient remedy on the market.
