BUILD UP THE BODY WITH NULIFE

For purifying and nourishing the blood, for strengthening the nervous system, for building up the body and toning up the entire system to the proper degree of health and strength there is nothing that can surpass the marvelous and potent powers of Nulife (Red Blood Tablets.)

It is a preparation that has been tried tested and found satisfactory. It is the result of years of careful scientific research, experimenting, analyzing and testing and combines all the best qualities of all the blood and nerve foods known to mankind and is offered at a price that places it within the reach of every man and woman.

TURCO-ITALIAN'S WAR

Continued from page 9

3,000 natives were executed by the Italians.

TRIPOLI, Nov. 2—The Turks this morning brought up a few guns to the South of El Mosri and opened fire. This was not effective, as most of the shells failed to explode. The Italian artillery soon silenced the guns and forced the enemy to retire.

About five o'clock last evening Turks appeared before the line of defences and forced the 82nd Italian Infantry to fall back from their position. The cruiser Carto Alberto soon located the Turkish artillery, and by a well directed and vigorous fire silenced it.

FRANKFORT, Germany, Nov. 2—The Frankfurter Zeitung's Milan correspondent says that the Italians are strengthening their active fleet with ships from the reserve. Twenty-three gunboats are proceeding from Spezzia to Tripoli.

MALTA, Nov. 2—It is reported that the whole Italian fleet has left Tripoli for Turkish waters. The Italian Government has suppressed direct sailings between Tripoli and Malta, owing to the leakage of news to foreign papers. All the mails from Tripoli have now to run the gauntlet of censorship at Sicily.

CONSTANTINOPLE, Nov. 1—The Commander of the Turkish forces at Tripoli telegraphed his Government under date of October 30 as follows: The Turks have occupied all the forts surrounding the town. The Italians are demoralized and do not dare to venture outside the zone of fortification.

ST. YVON, Gaspe Co., Que. Nov. 3.—(Special).—Once more a wonderful cure has sent the name of the old Canadian Kidney Remedy ringing through the Province of Quebec. Mr. Ludger Cote, a well known resident of this place, is the man cured and the story of his cure in his own words is as follows:

"For four years I suffered from Backache, stiffness of the joints and finally Bright's Disease. I could not bend my right leg on account of the pain in my hip and knee. I had terrible pains in the region of the bladder. My eyes were swollen. I was always tired and nervous and took no pleasure in life.

"Finally, I decided to try Dodd's Kidney Pills and the effect was marvelous. Six boxes cured me completely."

Backache, neglected, develops into Bright's Disease. The one sure way to escape its tortures is to cure the Backache when it first starts with Dodd's Kidney Pills.

CHINESS REVOLUTION

Continued from page 9

ters at Siokan too late to stop the massacres which have had already been begun. It is thought that the effect of the atrocities committed by the Government soldiers will have a serious bearing on the situation. The blood of the Chinese is up, as is indicated by their desperate defence of Hankow which has caused the greatest surprise among Europeans, who did not expect the Chinese on either side to fight seriously. The foreigners at Hankow will probably be able to protect their concessions as they have ten or twelve gunboats at their disposal, though some loss of life among the foreigners may be expected.

SAN FRANCISCO, Nov. 2—Advices from Canton today state that vice roy Chang Ming Chi, of that province had wired a memorial to the Prince Regent asking for the pardon of Wang Ching Wei, who attempted to assassinate the Prince a year ago last April. Pardon to the prisoner, he said, would go far to placate the people, and to show the liberal attitude of the Government toward the Republicans. Full pardon was also asked for the Revolutionary General Li Yuen Heng.

According to another message, General Li has refused to consider a peace offer unless the Manchu dynasty yields the throne to the Republicans. Revolutionists are said to occupy all the railway stations near Hankow and to have inflicted a loss of more than a thousand men on the Imperials in battle yesterday.

HANKOW, Nov. 2—(October 31, via Wu Hu). In the fighting at Han Yan on Sunday night the Imperialists were victorious and entered the native city. Looting was permitted and there were many incendiary fires. Late at night the Imperialists withdrew to their camp and the rebels, reinforced, re-occupied the city. It is reported that they numbered 6,000. On Monday morning an artillery engagement began, but it was not decisive. The rebels at Hanyang have beheaded Col. Chang Sin Yang, who commanded in the battle on Friday, when the rebels met with a reverse. Other officers in the revolutionary cause, also suspected of treachery have met a like fate. A foreigner reports that he saw the Rebels kill twenty Imperialists prisoners, and a thousand of the wounded.

Shasi, in Hu-Peh province and Yochow in Hu Nan, are flying the revolutionary flag.

OBITUARY.

The death of Mrs. Theophilus Pineau which occurred at Rustico on Tuesday, October 24th, has cast a gloom over this community where she was so well and favorably known. She was Miss Margaret Ann Gaudet, daughter of Jeremiah and Mrs. Gaudet, of St. Margaret Parish, King's County and was aged 38 years.

She was a woman of a bright amiable disposition and possessed to a marked degree those christian virtues which go to make the good mother and ideal wife.

She was held in very high esteem by all classes throughout the entire community and her death is greatly deplored. Much sympathy is felt for the bereaved husband and family consisting of ten children, the youngest being only eight months old. Besides those, she leaves to mourn their loss, an aged father and mother, one sister Mrs. Lawrence Doiron of this place and four brothers: Henry, living in Portland Me., George in Winnipeg and Joseph and Moses at home.

Her other brother Aeneas was accidently killed in South Boston his burial taking place a day previous to hers.

A large concourse of relatives and friends accompanied the remains to St. Augustine Cemetery where the service was conducted by the Rev. Dr. Chaisson, Parish Priest. The pallbearers were:—Simon Pineau, John Doiron, Moses Doiron, Joseph Doucett, Christain Gallant and Abraham Buote. R. I. P.

FOR HOUSEHOLD ACCIDENTS

Zam-Buk is so Very Useful

Read how beneficial it proved in this Case.

Mrs. H. Sawyer, of Keene, Ont., writes:—"My husband is engaged on a farm, and one day, while chopping wood, the top of the axe broke and fell upon his foot, cutting a nasty gash. The wound was so bad that we first thought we would have to get a doctor, but we finally decided to dress the cut with Zam-Buk.

"Well, the Zam-Buk treatment proved a great success. It not only eased the pain, but it prevented any inflammation; and right from first applying Zam-Buk, the cut began to heal. It is now completely healed, and my husband says he will never be without a box of Zam-Buk in the house, for we are sure it saved us a great deal of expense."

Over and over again Zam-Buk has been proved to be the worker's best remedy. As soon as applied to a cut, a burn, a scald, or any skin injury, it relieves the pain and it sets up healing. It also prevents blood-poisoning or inflammation. It is a sure cure, too, for eczema, piles, ulcers, old wounds, bad leg, ringworm, scalp sores, festering, running sores, eruptions, cold sores, chapped hands, etc. Its absolute purity, also, makes it the ideal balm, for babies.

Zam-Buk Soap should be used along with the balm for washing all sore places. This soap will be found excellent for baby's bath, even where the balm is not being used.

All druggists and stores sell Zam-Buk at 50c. box, and Zam-Buk Soap at 25c. tablet, or post free from Zam-Buk Co., Toronto, upon receipt of price. Refuse harmful substitutes.
