IT'S EASY when you know how!

Maybe you are one of the more than three million Canadians who bought Victory Bonds. Perhaps you paid for them on the instalment plan and were delighted to see how quickly—and easily—you accumulated a backlog of savings which gave you a new feeling of pride and assurance. Perhaps you bought them for cash; You were pleased to see how the interest mounted up—how these bonds made money for you, year after year.

Yes, it's easy when you know how!

If you were a victory Bond buyer, we don't have to tell you that the new Canada Savings Bonds present an opportunity for saving and investment that's too good to miss. If you haven't already discovered how easy and convenient it is to save by means of bonds, now is the time to make a start—to stop wondering how other people manage to put away a nest egg, and start accumulating one of your own.

You can buy Canada Savings Bonds in units of \$50, \$100, \$500 and \$1,000; through any bank, authorized investment dealer, stock broker, trust or loan company—for cash or by the monthly Savings Plan. Where your employer offers a Payroll Savings Plan you can buy Canada Savings Bonds by regular deductions from your pay. You may buy up to \$2,000 per person. They pay 2 3/4% interest each year for 10 years. Your bonds will be registered in your own name, providing protection against loss. You can cash Canada Savings Bonds at full face value, with interest any time at any branch in Canada of any chartered bank.

But please remember this point—these are "Serve Yourself" Bonds. This time there are fewer salesmen. They will not be able to call on everyone. So it's up to you to take advantage of this fine investment opportunity—without delay!
