**MACKEREL UNCERTAIN.**—It is not known here says a Halifax exchange, how the mackerel fleets are fairing along the coast, as reports during the last few days, while meager, indicate a scarcity of fish so far as they go. The two government patrol steamers, Gulnare and Petrel, are on the ground watching the Gloucester vessels to see that they do not infringe on the three-mile limit. Their vigilance is doubled this season as the mackerel school is known to be closer in shore than usual and consequently there is greater temptation for the American seiner to enter the forbidden territory.—The Gulnare and Petrel are well known in this Province.

**Massachusetts Silver Black Fox Company**  
 Main Office 53 State Street, Room 813, Boston, Mass.

This advertisement appears at the suggestion of Mr. J. C. McKendrick, who is so well and favorably known throughout P. E. I., and who is to have entire charge and supervision of our Ranch, and who feels that his many friends who have confidence in his ability to produce results should have an opportunity to obtain some stock in the Massachusetts Silver Black Fox Company.

**A Clean Cut Proposition**  
**Shares \$100.00 Capital \$350,000.00**

Of this amount \$225,000 is to be issued for the following purpose:  
 To complete the purchase of 14 pairs best bred Silver Black Foxes  
 To properly equip the 25 acre farm already purchased and situated on the Mt. Edward Road, about two and a half miles from Charlottetown, with a modern up-to-date ranch, arranged for twenty four pairs of foxes, new house for superintendent and keepers, together with all the most modern facilities that safeguard a ranch.

**You Are Assured**

That the ranch, equipment, and foxes will not stand the investors in our company more than the cost today of foxes alone, and this includes all promotion charges.

**FOXES**

Our superintendent assures us that our foxes will be the best, many of them coming from the most prominent ranchers and for the quality of their stock, and we have absolute confidence in Mr. McKendrick's ability to select the finest stock, as he is equally interested with the officers of the company in this enterprise.

**EARNINGS**

With fourteen pairs of foxes and a modern up to date ranch arranged for twenty-four pairs of foxes, and issuing only \$225,000 of our capital against same, and with prices of young foxes at \$15,000 a pair and every indication of the market going higher, 50 per cent on the capital invested would be a very conservative estimate of earnings of the company. Furthermore the officers are all successful business men in Massachusetts, where they are well and favorably known, and are ready at all times to give the fullest information in reference to the company to those interested.

**APPLICATION FOR STOCK**

A limited amount of Stock in the above company on sale at office of the Canada Fox Exchange and Investment Co., Ltd., P. E. I. or apply to Mr. J. C. McKendrick, at the office of J. A. Webster, Charlottetown, P. E. I., or at the Ranch on Mt. Edward Road, or to the main office in Boston. 25 per cent of subscribed amount must accompany application, balance on or before August 1, 1913
