Cure Every Form of Indigestion

After you have eaten a meal, the stomach should do two things—pour out a dissolving fluid to digest the food—and churn the food until completely digested and liquified. Sour Stomach, Belching Gas, Indigestion, Dyspepsia, simply mean that the stomach is not doing its work properly.

"Fruit-a-tives" strengthen the stomach and increase the flow of gastric juice

"Fruit-a-tives" make the liver active and regulate the bowels. There will be an end to those Bilious Headaches, too, as soon as you start curing your Dyspepsia and Constipation with Fruit-a-tives.

"Fruit-a-tives" contain the wonderful medicinal properties of fruit—in an active and curative form. 50c. a box. 6 for $2.50. At all dealers'.

DARING HOLD-UPS IN PHILADELPHIA

PHILADELPHIA, Aug. 18.—Two daring hold-ups at the point of pistols occurred yesterday in the crowded Central Park of the city, both crimes being committed by the same men.

K. C. Norman, who says he is a stranger, with two accomplices, entered the office of D. H. Tolman, a money-lender, on Chestnut street, and while his confederates stood at the door covered two women clerks with a revolver and took $47, all they could find in the money drawer. Backing off, with the revolver still levelled at the terrified women, he cut the telephone wires and made his escape with his accomplices. When the women gave the alarm the men were lost in the crowds on the streets.

The police immediately started an energetic search and while this was in progress the trio turned up at a Market street jewelry store. Norman asked to see some diamond brooches and as a salesman laid several brooches before him. Norman pointed his revolver at him. The salesmen obeyed the command to hold up his hands and as he did so Norman started for the door with a brooch. Another salesman seized him as he was about to go into the street and held him until a police arrived. Norman's accomplices escaped.

HIGH BRIDGE A MILE LONG

MONTREAL, Aug. 18.—Contracts for what will be one of the longest high bridges in the world were today awarded by the Canadian Pacific Railway Company. The bridge is to be on the Crow's Nest Pass branch, and will cross Belly River. The bridge is to be over a mile in length, and its centre will rise 201 feet above the surface of the water. The bridge crosses at a place where there are high and steep banks on each side, and owing to its great height above the river will be unique in bridge building. The bridge will be practically a viaduct being carried on great steel girders which will stretch web like from piers in the river. The steel supports will rest on piers built up of concrete piles. This a departure in bridge building.

DELIGHTFUL OCEAN TRIPS

St. John To Boston, Offers A Choice of Direct Or Coastwise Excursions.

As in years past, August finds many people embracing the excellent opportunities afforded by the International Division of the Eastern Steamship Company to visit Boston and other New England points and with the magnificent new Turbine Express Steamship "YALE" performing the direct service, St. John to Boston, this steamboat traffic has been given a greater impetus than ever. The tide of travel on these lines is steadily increasing, and according to all indications will continue—September doubtless witnessing a still larger patronage.

The sailings from St. John of the "YALE" are Tuesdays and Saturdays at 7 p. m., and for the return trip from Boston on Mondays and Thursdays at 12 o'clock noon.

Coastwise steamers for Boston, the "Calvin Austin" and "Bay State" leave St. John on Mondays, Wednesdays and Fridays at 8 a. m., stopping at Lubec, Eastport and Portland. For the return trip, the leaving time at Boston (Union Wharf), is 9 a. m., on Mondays, Wednesdays and Fridays.
