MISS RUTH CROSBY who is a student at Acadia Seminary, Wolfville is spending her vacation at Chester, N. S., the guest of her friend Miss Rita Manning.

REV. A. FALCONER, D. D. Pictou, has been nominated by one of our Ontario Presbyteries as Moderator of the General Assembly to meet in London, Ont., in June.—Pres. Witness.

THE coldest already registered this season was 9 degrees above zero early Monday morning. The thermometer rose during the day to 15 above and has remained about that mark since.

THE Presbytery of P. E. Island will meet in St. James' Hall, Charlottetown, on Friday, Dec. 29th, at 11 o'clock a.m. Business: Call from Strathalbyn; Resignation of Rev. A. J. McNeill, Orwell, etc.

CITY merchants complain that there has been considerable shop-lifting in the city during the past week or two. In one or two instances the culprits were detected in the act and compelled to return the goods.

On Christmas night upwards of forty invited guests, old and young, relatives of James E. and Mrs. Shaw, Brackley Point, took supper at their home. A Christmas tree given for the enjoyment of the children proved enjoyable to the older folk as well. Santa Claus distributed the gifts, the recipients ranging through all the degrees of consanguinity up to great grand-papa and great grand-mama, until everybody seemed to be thanking everybody else and all agreed that "aunt T" is a very good woman.

A NORTH SYDNEY despatch says: The S. S. Woburn was brought in from the stream this morning at daylight, and is now being repaired. The Wasis, which went to her assistance, had a difficult task in towing the vessel from Low Point. There was a heavy sea on, and both boats had to ride abreast, and even this was a risk, one vessel having a full cargo, and the Wasis light. The damage to the Woburn is that the bottom head of the cylinder snapped off, and this necessitates a new one being cast. However, as far as can be judged at present, she may get away inside of a week.

On the eve of Christmas the congregation of St. James church presented Leslie W. Cook, one of the leading members of the choir, with a handsome purse.

THE public school examination at Union, Lot 33 last week was most successful in every particular. The teacher Miss L. Lamont was the recipient of some valuable presents from her pupils.

A PUBLIC meeting under the direction of Excelsior Farmers' Institute will be held in the hall at York Saturday evening, Dec. 30th and will be addressed by Jonathan West recently returned from Innisfail, Alberta. All are welcome.

A special leaves Charlotte, town in the evening at 9 o'clock returning on the arrival of the Stanley at Summerside the next day. The foreign mail brought by this train will be unassorted and thus more time will be taken in delivery.

From the Merchants' Bank they received \$50 (not \$59 as a typographical error made it appear yesterday) as a donation toward the tournament fund; from W. A. Weeks, \$25, from W. A. Weeks & Co., \$25, and from R. H. Sterns, proprietor of the Hotel Victoria, 41 boxes of cigars as a tribute of appreciation of their services in saving property.
