Run Down

If your doctor says take Ayer's Sarsaparilla, then take it. If he has anything better, then take that.

If you are all run down, easily tired, thin, pale, nervous, go to your doctor. Stop guessing, stop experimenting, go direct to your doctor. Ask his opinion of Ayer's non-alcoholic Sarsaparilla. No alcohol, no stimulation. A blood purifier, a nerve tonic, a strong alterative, an aid to digestion. J. C. Ayer Co., Lowell, Mass.

We have heard nothing but unstinted praise from our numerous patrons in regard to Miss Walpert's work and ladies who have not been getting satisfaction in the millinery line should certainly give her a call. She wins her way to the hearts of all, by her pleasing and obliging manner, as well as by her undoubted ability as a milliner.—M. Trainor & Co. 9-23dtf.

On the evening of the 18th of September a very enjoyable time was spent at the residence of David McNeill, Cavendish, by a number of friends of G. Foster Camp, a student of Acadia University, who has supplied the pulpit of the Cavendish Baptist Church during the summer months, and who is now leaving to resume his studies. The first of the evening was spent by the young people in discoursing choice music and in games. Then after a bountiful repast provided by the ladies, Joseph Bagnall, in a few well chosen words, presented Mr. Camp with a purse as a token of the appreciation of the people, who have enjoyed his ministrations and who have learned to appreciate the man for his ability and social qualities. Mr. Camp, though taken by surprise returned his thanks to the doners in a very happy little speech. Short complimentary addresses were also given by Rev. John Stirling, Burton Simpson and Walter Simpson. Mr. Camp left Monday for his home in New Brunswick, where he will enjoy a short visit before he resumes his studies.

NOTICE TO CONTRACTORS.

SEALED TENDERS addressed to the undersigned, marked on the envelope "Tender for Construction," will be received at the office of the Commissioners of the Transcontinental Railway, at Ottawa, until twelve o'clock noon of Monday, the 28th day of September, 1908, for the work required for the construction, in accordance with the plans, profiles and specifications of the Commissioners, of the following sections of the Transcontinental Railway, viz:—

(1) Districts 'D' and 'E.'—From a point designated on the plans of the Commissioners, being at the western end of Fauquier Bros' Abitibi contract, in the Province of Ontario, in a westerly direction for a distance of about 161.21 miles. Date of completion, 31st December, 1910.

(2) Districts E.—From a point designated on the plans of the Commissioners, about sixty miles west of the easterly boundary of District 'E,' in the Province of Ontario, westerly to the end of Fauquier Bros.' contract, north of Lake Nepigon, a distance of about 100 miles. Date of completion, 31st December, 1910.

Plans, profiles and specifications may be seen in the office of the Chief Engineer of the Commissioners at Ottawa, also in the office of John Aylen, Acting District Engineer, North Bay, Ont., and T. S. Armstrong, Nepigon, Ont.

Persons tendering are notified that tenders will not be considered unless made in duplicate, and on the printed forms supplied by the Commissioners.

A seperate tender must be submitted for each section.

Tenderers shall not be in any way entitled to rely upon the classification, or any other information given by any person on behalf of the Commissioners; and before submitting any tender, bidders should make a careful examination of the plans, profiles, drawings and specifications, and read the forms to be executed, and fully inform themselves as to the quantity and quality of materials, and character of workmanship required; and are understood to accept and agree to be bound by, the terms and conditions in the form of contract, specification, &c., annexed to the form of tender.

Each tender must be signed and sealed by all the parties to the tender, and witnessed, and be accompanied by an accepted cheque on a chartered bank of the Dominion of Canada, payable to the order of the Commissioners of the Transcontinental Railway, as follows—

For Sec. No. 1, District 'D' and 'E' $150,000.
For Sec. 2, District 'E,' $150,000

Any person whose tender is accepted shall within ten days after the acceptance thereof furnish such additional approved security as may be required by the Commissioners; and the contract, specifications, and other documents required to be signed by the said Commissioners; and, in any case of refusal or failure on the part of the party whose tender is accepted to complete and execute a contract with the said Commissioners, and to furnish the additional approved security within ten days after the acceptance of the tender, the said cheque shall be forfeited to the Commissioners as liquidated damages for such refusal or failure and all contract rights acquired by the acceptance of the tender shall be forfeited. The cheques deposited by parties whose tenders are accepted will be deposited to the credit of the Receiver General of Canada as part of the security for the due and faithful performance of the contract according to its terms. Cheques deposited by parties whose tenders are rejected will be returned within ten days after the signing of the contract.

Attention is called to the following clauses in the form of contract:—

All mechanics, labourers, or other persons who perform labour for the purposes of the construction of the works hereby contracted for, shall be paid such wages as are generally accepted as current for competent workmen in the district in which the work is being performed, and if there is no current rate in such district, then a fair and reasonable rate; and, in the event of a dispute arising as to what is the current or a fair and reasonable rate; it shall be determined by the Commissioner whose decision shall be final.

This agreement is subject to the regulations now in force, or which may at any time hereafter be in force during the construction of the works hereby contracted for made under the authority of the Department of Labour, and which are, or shall be, applicable to such work. (The schedule of minimum wages determined upon by said departments will form part of the contract).

The contractor shall in connection with the whole of the said work, as far as practicable, use only material, machinery plant, supplies and rolling stock manufactured or produced in Canada, provided the same can be obtained as cheaply, and upon as good terms in Canada as elsewhere, having regard to quality and price.

The contractor shall conform to the fire regulations adopted by the Commissioners, and also to the laws and regulations respecting fires in the different provinces wherein the work is being performed.

The right is reserved to reject any or all tenders.

By order,
P. E. RYAN
Secretary.

The Commissioners of the Transcontinental Railway.
