Steak and Onions? Sure! And Don't Skip the Order.

onions, pork and beans, mince pie with cheese, sausage and buckwheats, rich cream in your coffee and so on. Follow the large tablets with one of the small tablets and you'll have no gasiness, no sour fling, no heartburn, or other such distress due to dyspepsia.

These tablets supply the stomach with an alkaline effect that overcomes or prevents acidity and sour stomach due to indigestion. They also assist the stomach to digest food, as they contain stimulating qualities and digestive enzymes. They take up an excess of fermentation and you feel a sense of stomach comfort. You can get Stuart's Dyspepsia Tablets in any drug store at 40 cents a box. Try a steak, swallowed today and get back into the real joy of living.
