Every Day Is Somebody's Birthday

HAVE you goods in your store that would make appropriate birthday gifts? Then take space in your daily newspaper from time to time to tell the public about them. Get people to think of your store as the place to come to for birthday suggestions and gifts. Husbands, wives, fathers, mothers, brothers, sisters are generally willing to pay a little extra for birthday presents — and this market is well worth cultivating with warm, bright, "human" advertisements.

Stock Prices Rise Sharply In New York

(By Frederick Gardner)

(Associated Press Financial Writer)

NEW YORK, June 29—The biggest buying orders in months lifted leading stocks 1 to 7 points today in a buoyant market, resuming the spectacular June upswing. Major industrial stocks, favored on forecasts of widening business revival in the final half of 1938, boomed along into new high ground for the year.

Building shares were star performers, spotlighted by reports construction revival was holding better than had been expected a few weeks ago and hopes for acceleration of recovery when federal public works spending hits its stride.

Transactions amounted to 2,658,690 shares compared with 1,289,720 yesterday. It was the busiest session since Oct. 29. The Associated Press composite price of 60 stocks jumped 2.1.

A gain of 1 1-4 to 49 3-4 in International Nickel was the only major change among Canadian issues. Distillers, Dominion Stores, Walkers, Industrial Alcohol, Ford and Massey-Harris steadied fractions. Down trifles were Lake Shore, Dome, Imperial Oil and Hollinger.

Building shares showed heels to most stocks. Johns-Manville finished at 94, up nearly 7; U. S. Gypsum 94 1-4, up 8 1-2; American Radiator 15, up 1 5-8, and Masonite 42, up 4 1-2.

National Steel soared 5 1-2 to 65 1-2, Bethelehem 4 to 60 and U. S. Steel 3 3-4 to 56 7-8.

The scope of the buying was taken as an indication investment trusts and other big buyers had joined the scramble, convinced the market had rounded the turn and foreshadowed business recovery.

Two to 7 points higher at the close were such favorites as Westinghouse Electric at 98 1-2, Du Pont 120 1-2, Chrysler 60 1-8, General Motors 37 3-8, International Harvester 66 7-8, Montgomery Ward 43, Sears Roebuck 68 1-4, and Goodyear 22 1-2.

Steers were 25 cents higher, selling up to $6.75. Heifers sold up to $6.25. Calves were lower, veals sold from $3.50 to $5.25 and grassers from $3 down.

Other kinds of livestock were steady. Butcher cows sold from $3.25 to $4 with canners and cutters from $3 down. The top for bulls was $4.

WINNIPEG, June 29 —(CP)— New-crop Winnipeg wheat futures maintained fractional gains at the close of a drab session today in which bulk of dealings involved switching of holdings from July to the deferred positions. Final values were 1 lower to 1-4 higher, July $1.02b, Oct 84 1-4-3-8, Nov 83 1-4a and Dec 81 5-8 cents.

All wheat futures advanced about a cent or more in early operations influenced by disappointing precipitation in western Canada overnight and steadiness of Chicago.

Business virtually stopped at the mid-session mark and afterwards southern houses and locals were on both sides of the market. July lost its gains due to switching operations and local spreading which supported October future.

Cash wheat again was neglected. Spreads on Nos. 1, 2 and 3 northern grades eased about a cent but durums were steady on odd-car sales.

Coarse grain dealings picked up today mills entering the market for oats and rye being purchased against sales at Chicago. Some export demand for barley also was mentioned. Price averaged slightly higher near the close
