Dr. Chase's SYRUP OF Linseed and Turpentine.

Thousands of mothers feel grateful to Dr. Chase because this great medicine has been the means of saving a darling child when frantically struggling for breath—a victim of croup.

From childhood to old age this great treatment for ailments of the throat and lungs stands as a guard which prevents coughs and colds from reaching the lungs and developing into pneumonia and consumption.

Mrs. A. A. Vanbuskirk, Robinson street Moncton, N. B., states :—

"For years I have used Dr. Chase's Syrup of Linseed and Turpentine for my children whenever they take cold. I used it first with a severe form of asthma. We have never tried anything in the way of a cough medicine that worked so satisfactorily. It seemed to go right to the diseased parts and brought speedy relief."

Dr. Chase's Syrup of Linseed and Turpentine is sold by all dealers at the advertised price, 25 cents a bottle, family size (three times as much) 60 cents, Edmanson, Bates & Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every bottle.

An Open Letter From James Paton & Co.

Our Great Discount Sale of last year, was patronized away beyond our expectations Why?

1. Because we had the confidence of the people.
2. Because we gave generous Discounts, and allowed no tampering with prices.
3. Because we carry a complete line in all Departments.
4. Because we advertised.

We will follow on exactly the same lines this year, with one single exception; Some of our Discounts will be still greater as you can see by reading our list of prices.

Our reason for this Year's Great Sale, is that we put Thousands of Dollars into our new Building and Furniture Department, and we require Thousands of dollars before the first of February.

Last year we appealed to the public for a given amount, and we are glad to state that the people had confidence in our offer, and complied with our request.

This year we place ourselves in the same position, and have confidence in the result.

Yours truly,
JAMES PATON & CO.

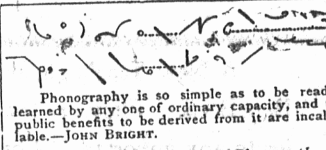
INTRODUCTION

LIFE · BUSINESS EDUCATION

What is Life without a Business Education?



Phonography is so simple as to be readily learned by any one of ordinary capacity, and the public benefits to be derived from it are incalculable.—JOHN BRIGHT.

In the Benn Pitman System of Phonography—Reporting Style.

The spacious rooms furnished by the Charlottetown Business College for Shorthand and Typewriting under the Principalship of J. O Trainor, are models in themselves for the study of these important subjects. While Mr. Trainor is a new teacher to a Charlottetown class yet, he has already proven what the Phonographic Institute recommended him to be "a competent teacher of Phonography." For further recommendation or introduction ask ANY member of his class. Here, the Benn Pitman system is taught from the Pitman-Howard text-books, consequently the students find no difficulty in reading their notes.

NOW is a good time to join the classes.
