The TERRIBLE PANGS OF DYSPEPSIA CAN BE CURED

To be dyspeptic is to be miserable, hopeless, confused and depressed in mind, forgetful, irresolute, drowsy, languid and useless.

Constipation, headache, heartburn, sour stomach, distress after eating, belching of wind, faintness, and fullness and distention of the stomach are a few of the many distressing symptoms of the poor, weary dyspeptic.

Dyspepsia is a disease that in one way or another resembles nearly every other disease, and the only way to get rid of it is to tone up the stomach, liver, bowels and blood. This will be quickly done by the use of

BURDOCK BLOOD BITTERS

It regulates the stomach, stimulates the secretion of the saliva and gastric juice to facilitate digestion, removes acidity, purifies the blood, and tones up the entire system.

Mrs. M. A. McNeil, Brook Village, N.S., writes: "Last winter I was very thin and was fast loosing flesh owing to the run down state of my system. I suffered from dyspepsia, loss of appetite and bad blood. I tried everything I could get but to no purpose. I finally started to use Burdock Blood Bitters, and from the first day I felt the good effects of the medicine and am strong and well again. I can eat anything now without any ill after effects. It gives me great pleasure to recommend Burdock Blood Bitters, for I feel it saved my life."

DYSPEPSIA.

Medical science doesn't seem to be able to cure it. One professor says one thing about it, another professor says another thing, and all the time people keep on suffering terribly. Now what's the use of wasting words in arguing the mtttter? Why don't you get some Hutch tablets and try them? Take one after each meal. Plenty of people have cured themselves in this way, and that ought to be proof enough that it will cure you too. It is an unusual medicine and does unusual things. It's a doctor for ten cents. 200 sent for $1.00. One gives relief. For sale by all druggists.

WEARY DAYS AND SLEEPLESS NIGHTS

Many men and women toss night after night upon sleepless beds until near dawn. Their eyes do not close in the sweet and refreshing repose that comes to those whose heart and nerves are right. Worry or disease has so debilitated and irritated the nervous system that it cannot be quieted. Or, again, you have heart palpitation and sensation of sinking, a feeling you are going to die; or perhaps you wake up from your sleep feeling as though you were about to choke or smother, and rest leaves you for the night. Allow these conditions to continue and you will feel your health declining.

It is the nerves and heart that are not acting properly.

They can be set right by the use of

MILBURN'S HEART AND NERVE PILLS

They soon induce healthful, refreshing sleep, not by deadening the nerves, but by restoring them to healthy action and removing all symptoms of heart trouble, which is often the cause of nervousness and sleeplessness.

Mrs. Ennis Chambers, Massey Station, Ont., writes: "I was troubled with dizziness, weak spells and fluttering of the heart. I was so bad at times I could not lie down in bed at nights but would have to sit up. I doctored for a whole year and got no relief. I took three boxes of Milburn's Heart and Nerve Pills and was so completely cured I have not been troubled since. I cannot recommend them too highly."

Milburn's Heart and Nerve Pills are 50 cents per box or three boxes for $1.25 at all dealers or sent direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
