

Run Down
If you are all run down, easily tired, thin, pale, nervous, go to your doctor. Stop guessing, stop experimenting, go direct to your doctor. Ask his opinion of Ayer's non-alcoholic Sarsaparilla. No alcohol, no stimulation. A blood purifier, a nerve tonic, a strong alterative, an aid to digestion. J. C. Ayer & Co., Lowell, Mass.

This is what may be called Indian Summer. The Indians had predicted that there would be no Indian Summer this year. Indian Summer is commonly understood to be a warm, hazy, cloudy, smoky period of time, it may be of only a day or two or may last for weeks, after snow has fallen or some rather cold snap has occurred and may come during the months of October, November or December.

The final match of the season of Charlottetown Civilian Rifle Association took place on Thanksgiving Day, from nine a. m. until nearly six p. m. the detonations rang out. Two teams from the Club fought for supremacy. An enjoyable supper was put up by the losing team on Tuesday evening at the Strathcona Hotel. A list of individual prizes was called off and the presentations made by Secretary Treasurer Watts who occupied the chair. The best shot of the Club—Principal James Landrigan was a guest of the evening. In response to his health a toast heartily drank. Mr. Landrigan made a happy reply. Warmly complimented the association on its growth and the better fact still that much progress had been made by the new shots. Every youth in the township had not only a rifle but willing and capable to use it. In response to W. K. Rogers' most enthusiastic of this clean sport. Teach a boy to shoot is his advice. Steadiness, reliability, good health, good humor, all these are concomitants of rifle shooting. A spoon, unusual but handsome in design was presented, but that will have mention among the presentations of Saturday next. On that day the aggregate cup, the first and second prizes of the first match and all the winners of the 2nd match will receive their prizes. A surprise was in store for Captain Watts one of the fathers of the association and who has proved himself a solicitous parent. On behalf the C. C. R. A. W. K. Rogers presented Capt. Watts with a beautiful birch-root pipe with case suitably engraved, kindly words and wishes accompanied the gift. The gift was acknowledged in fitting terms, after which the meeting joined in the National Anthem and then broke up. Many individual chips were placed this season but, under the influence of the moment a corporate chip was decided on for next season and one challenge accepted for the opening weeks of next season.

A Word In Regard to American Corsets

W. B. Corsets
Ever since the disappearance of the old style strip models, which took place upon the introduction of the famous "W. B. Erect Form" a corset founded upon scientific lines the manufacturer of stays has reversed the old process of things and instead of forcing the body to fit the corset has made the corset fit the body.

"Erect Form" Makes perfect an imperfect figure. It's lines are your lines. It follows the contour of the person correcting here and there; but never inflicting harm or discomfort. We have the special style meant just for you.

Nuform "W. B." corsets allow you to take good deep breaths just like a man does. It keeps its wearer erect. It is just as comfortable in a sitting as in a standing position. Every woman who has ever worn the "Nuform" knows that it is perfectly comfortable from the first day. The proper corset for the new modes, high in the bust and very narrow through the waist.

"Reduso" Show any physician the "W. B. Reduso" corset and contrast it with the other makes sold for stout women, and see with what little hesitation he advises you to choose the Reduso. He knows that the corset is best which accomplishes its purpose, simply by making its wearer stand in such a position that her lungs are forced to act freely.
