

# The Spirit of Leadership

**F**OR leadership, for knowledge, for wealth, or for sheer glory of achievement, Britons have penetrated the furthestmost parts of the earth. But no place is so remote that ENO's "Fruit Salt" does not reach it.

All over the world Britons unite in the time-proved practice of drinking ENO first thing every morning.

ENO promotes inner cleanliness in the way intended by Nature.

For sheer goodness, purity, pleasant taste and safety, ENO's "Fruit Salt" has no parallel. It is indisputably the leader.

ENO contains no flavouring matter, no sugar, no purgative mineral salts. It is mild and gentle in action and unlike some of the drastic aperients, does not form an undesirable habit, but can be taken at any time with perfect safety by young and old alike.

of friendship. The importance of the influence of the home and church were referred to. In the evening the service was especially impressive the text being "I go to prepare a place for you" and each word of the text was explained by Mr. Boothroyd in such a manner as to give special meaning not only to each word but impressed his hearers with the beauty and importance of the whole text. This was the first time Mr. Boothroyd addressed the Malpeque congregation and those present will look forward to hearing him again.
