The need of this fund is known to all and the undertaking will no doubt meet with a general response. Further particulars will be given later. AT 60 ENJOYING PERFECT HEALTH

By the time a man or woman is 60, the kidneys and bladder need a little help to keep them in good working order.

Rheumatism and backache so often accompany the later years of life, most people have an idea health and vigor cannot be expected much after the fiftieth year.

As a matter of fact there is no basis for these fears, we could show a number of letters proving our contention that if GIN PILLS are taken to keep the urine normal, prevent colds settling on the kidneys or bladder, and ward off Rheumatic attacks, almost everyone can enjoy perfect health at this late period.

To quote from a letter received from a prominent Consulting Engineer of New York City:—"You remedy I find, at 60 years of age, to give perfect relief from the kidney and bladder troubles incident to one of my age."

Perhaps you know a man or woman whose life is made a torment by Rheumatism, Backache, Sciatica, or Swollen Joints. Don't let it continue, for Gin Pills will surely bring that longed-for relief. You don't have to buy Gin Pills to try them. Write for a free sample. Address the National Drug & Chemical Co. of Canada Limited, Toronto; or if you live in the United States write to New Drug Co. Inc., 202 Main St., Buffalo, N.Y.

THE MERCURY GOES DOWN.—Yesterday was the coldest day for the time of year for several years. At seven o'clock last night the thermometer at the Experimental Farm registered 7 below zero, the coldest December day since 1914 when the mercury fell to that level on Christmas Day.

A fairly good attendance favored the candidates at Mounstewart on Tuesday night. Mr. Pigott presided and the candidates addressed the meeting in the following order: Messrs. Nicholson, Sinclair, Martin, Warburton. The feature of the evening was a rousing speech by Mr. T. H. Feehan ex-M. L. A., who pointed out the reasons for his countrymen. Judge Doherty, Mr. Curran and Mr. Hackett in Montreal and quoted Judge Doherty as saying he might be defeated in Montreal but he would be satisfied with defeat in a good cause.

FRIDAY

THE SLACKERS AT HOME.—The following extract from a letter received in Charlottetown yesterday by a brother at the front, says, "It seems to me if the slackers at home could see this devastation and witness some of the scenes of horror and bloodshed that daily come to one's notice in this battlescarred wilderness, it would waken them to a sense of their duty."

GOLF MEETING.—The annual meeting of the Ladies' Golf Club was held yesterday. It was decided to give the money taken at the Saturday teas to the Women's Patriotic Association. Following are the officers elected for the year: Pres.—Mrs. MacCreedy; Vice-Pres.—Miss Helen Warburton; Sec.—Mrs. Miss Ethel Hazard; House Committee.—Mrs. Morson, Mrs. J. S. GRATEFUL FOR KINDNESSES.—Mr. W. G. McDonald, Vernon, who was on board the train stalled at Bumbury on the night of Friday the 7th inst., and who was in the City yesterday, speaks in the highest terms of the kindness of the people of Bumbury who provided the passengers with some 75 in all, with food, fruit and other necessaries and luxuries. Some of the lady passengers were kindly taken to the home of Mr. Walter Jones and driven back in the morning. Among the neighbors who rendered assistance and provided provisions were Messrs. Walter Jones, Frank Boyer, Mr. Singleton and Mr. Match.

SOME MISUNDERSTANDING.—With the confusion injected into the present political campaign by agitators and mischief makers there is still some uncertainty in the minds of a number of those exempted by the tribunals. Some of these exemptions, for instance, are "until class 2 is called out by proclamation." The political agitators are endeavouring to persuade these that the meaning of this is that they are to be called out when class 2 is called. This is not so. When class 2 is called, all who were transferred to that class will have the same privilege that they had at first of claiming exemption on any of the grounds on which exemptions can legally be granted.

RECEIVES COMMISSION.—The pleasing news has been received in a letter by Mr. and Mrs. Caleb J. Whitlock that their brave son Harry has been granted the commission of Lieutenant with the Royal Flying Corps. Lieut. Whitlock left this city on Aug. 22, 1914, one of the Signalling Corps of six brave young fellows, Sergt. Weeks, Signallers Stewart, Large, Gardiner and McLeod, the first three of whom have since received commissions as Lieutenants and the latter two stripes, with the additional honor of receiving the D.C.M. and being mentioned in the despatches as Lieut. Weeks and Stewart who were awarded the D. S. O. The Guardian congratulates Lieut. Harry Whitlock on his well merited promotion. Lieut. Whitlock has not yet been posted to an aerodrome but expects to be attached to the famous Hendon aerodromes, London, where he will undergo a strenuous course in practical aerial warfare. Lieut. Whitlock is a member of the Abegweit A.C.—one of its star hockey and baseball players and one of the clever graduates of the Prince of Wales College.

"CASCARETS" BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels, or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache. Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels. A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

ISLAND LADY COLLAPSES.—The Rev. L. J. Leard has written to say that on Saturday morning last Mrs. Laird had a complete collapse and for some time her life was despaired of, but at the time of writing she was resting quietly, and hopes are entertained of her recovery. Mr. Leard cannot leave her at present. They are at 56 Seymour St., Halifax, N. S. Other island papers please copy.

MRS. CARR SEVERELY INJURED.—Mrs. Carr, wife of Q. M. Sgt. Carr who was killed in the Halifax disaster and whose body arrived last night, is in one of the Halifax hospitals undergoing treatment for injuries sustained when her husband was killed. They were both buried in the debris of their home, the husband being so severely wounded that he died almost immediately afterwards and she sustaining very severe injuries including a broken arm.

MR. AND MRS. SIMMONS SAFE.—It will be good news to their many friends to hear through one of the Charlottetown nurses that Mr. and Mrs. Charles Simmons are safe in Halifax as contradictory reports have been in circulation. Both are patients in the Military Hospital there wounded badly hurt on the right side of head and face. It is hoped that their injuries may not prove as serious as at first reports.
