Minard's Liniment Co., Limited, Gentlemen.—Last August my horse was badly cut in eleven places by a barbed wire fence. Three of the cuts, (small ones) healed soon, but the others became foul and rotten, and though I tried many kinds of medicine they had no beneficial result. At last a doctor advised me to use MINARD'S LINIMENT and in four weeks' time every sore was healed and the hair has grown over each one in fine condition. The Liniment is certainly wonderful in its working.
