Your Money will Go Further at Holman's S'Side

Your money is just as good as the other fellow's at this store, but no better. Every person is used the same honestly, fairly, and liberally. If any merchant should tell you that he can beat Holman prices beware -that's all.

There is no debating the fact that Holman's can buy much lower in price than ordinary stores, as we buy in larger quantities than prephaps twenty of them put together—and we always buy with cash—securing every concession and discount available.

Holman's latest Catalog will be a revelation to you in the saving that it offers you on every-day necessities. There is no bartering - no persuasion—no coaxing with Holman's Catalog—everything is plainly illustrated and described - you are left to use your own good judgment, and to purchase in your own interests entirely.

Holman's "One Price" policy must certainly appeal to you if you are at all anxious to make a saving. Every article listed in Holman's Catalog is guaranteed exactly as represented in every respect. Money will be refunded with all freight charges that you have paid in any case where goods should not be more than satisfactory.

If our "Fair Deal" policy appeals to you, send an order from Holman's Catalog. If you haven't got a Catalog, your request on a post card will bring one.

States would require to show large numbers under the third heading. The official returns of the United States, however, do not distinguish between the three classes, and, consequently an entirely erroneous impression is conveyed by the numbers given as persons leaving Canada in as much as it represents all classes of people.

In short, I may say we have in this office an accurate record of every person who is a Canadian citizen, by birth or naturalization, who leaves Canada to permanently reside in the United States and who goes out by any Port between Fort William, Ontario, and Kingsgate, B. C., and these figures prove conclusively there is no serious movement out of the country.

I am Sir, etc.,

Cure Your Bad Cough By Breathing Catarrhozone

You may dislike taking medicine—but coughs are best cured without medicine. The modern treatment is "CATARRHZONE"—It isn't a drug, it's a healing vapor full of pine essences and healing balsams. It spreads over the surfaces that are weak and sore from coughing. Every spot that is congested is healed—irritation is soothed away, phlegm and secretions are cleaned out, all symptoms of cold and catarrh are cured. Nothing so quick, so sure, so pleasant as Catarrhzone. Beware of dangerous substitutes meant to deceive you for genuine size 50c; sample size 25c.

DOLLAR DAY— This is Dollar Day in Charlottetown—the day when a dollar is supposed to do the work of $1.50 and more according to the advertisements. Last Dollar Day brought a great many people to Charlottetown and without question the merchants gave exceptional values and hundreds went home happy in the knowledge that they had spent a pleasant day and a good dollars to advantage. The windows of a number of the stores yesterday contained samples of the goods and the prices at which they will be offered today, and there certainly are among these many useful articles which will be well worth the money asked.

A Splendid Play

"Seven Keys to Baldpate," to be presented by the Klark-Urban Company at the Prince Edward, Monday evening is by Geo M. Cohan, and the play of which he is most proud. From the moment Magee the novelist arrives at Baldpate Inn, supposedly the most desolate place on earth, things begin to happen, and they continue to happen with such startling suddenness and from such unexpected sources that the audiences is not only mystefied; but held until the final curtain and denouement. In presenting a play like "Seven Keys to Baldpate" at popular prices, the Klark-Urban Company is making a departure, because the play is so modern, the royalties so high, the cost of production beyond that of the ordinary play, yet when the opportunity to secure the producing rights came to them, they accepted and believe the public will appreciate the exceptional value of such a play, and by record patronage make the venture a financial as well as artistic success. All scenery and electrical effects are carried for the production and are the same as the original production. Seats on sale at The Theatre Friday morning at 10 o'clock. 2750

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

BEST FOR LIVER AND BOWELS, BAD BREATH, BAD COLDS, SOUR STOMACH.

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold— always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remave the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

GUNNER BEER RETURNING.— Gunner Walter L. Beer who left for overseas service with Capt. Webb Stanley and has been on the firing line with the Second Heavy Battery for over a year, sailed for Canada from Liverpool on the 17th inst. The information was contained in an official communication from the Militia Department addressed to his mother Mrs. E. H. Beer. Gunner Beer is in good health.

FROM HOME TOWN.—The Lowell Courier-Citizen of recent date says: "E. Percy Boulter, who left Chelmsford on Oct. 7 on his return to Charlottetown P. E. I., to continue his work on the night staff of the Charlottetown Guardian has enlisted in a draft now being recruited there to reinforce the Fifth Siege Battery, which left Canada in September. Fifty men will comprise the unit and in the three days that the call has been out 12 men have already signed up. This is considered a good response, as many other units representing all branches of the service are being assembled at Charlottetown.

THE HERMIT KINGDOM.— The social and economic charges in the Hermit Kingdom, Korea during the last ten years are most profoundly interesting. Mr. Hugh Miller, Missionary for past fifteen years, representing the British and Foreign Bible Society Work, there, will give an interesting address at first Baptist Church, Prince Street, Friday evening at 8 p. m. The story of heroism faith and sacrifice, is well worth hearing, and a cordial invitation is extended to all to be present at Baptist Church tomorrow Friday evening. 2753.

PRINCE EDWARD THEATRE— The charming Marguerite Clark is the star in the fine bill which was shown at the Prince Edward yesterday. "Silks and Satins" is the well chosen name of a romantic photo play, in merry France and interweaving a modern romance with the days of old. Mystery is an ever present feature of this beautiful picture and the parts are played by an excellent group of screen artists, The Famous Players Co. There is a lesson for all in this fascinating story and every one should attend the Prince Edward this afternoon and evening, the last times that it will be shown. The striking beauty of the landscape views are alone worth witnessing. Some excellent pictures of the boys who are defending the empire are shown in the current offering of "The British Weekly," soldiers from Canada, Australia, and the other domininons are shown together. The historic waterways of Bruges are shown in all their enchanting beautyin a series of natural color pictures. Charming water scenes with boats gliding under arching bridges and past beautiful estates and typical scenes brought exclamations of delight from last night's audiences. The comedy, "When Charlie was a Boy" is rather out of the ordinary classbecause the principal roles are taken by juveniles. A youngster's efforts to mimic the famous Chaplin amused the crowd last night so that screams of laughter resulted throughout the picture.
