Modest Gains On Montreal Stock Market

MONTREAL, April 27— (CP)— Interlisted stocks marked up modest gains in light trading on the stock exchange today while the tone was fairly steady on the curb.

Canadian Pacific firmed a small fraction and other rails, Canadian Car and Foundry and National Steel Car picked up 1-2 each. St. Lawrence Paper preferred advanced 1 3-4 at 32 3-4 in the late trade with other papers about unchanged.

Foundation firmed a minor fraction and in the general list Dominion Steel and Coal "B" was ahead 3-8 and General Steel Wares gained 1-4.

Total sales: Industrials, 17,000; mines 146,100; bonds, $2,450.

Slow Trading On New York Stock Market

By FREDERICK GARDNER
Associated Press Financial Writer

NEW YORK, April 27— (AP)— The stock market shook off its spring drowsiness today long enough to rally briefly, then resumed its sleepy course.

The upturn on an accumulation of orders at the opening lifted most shares fractionally to more than 2 points, interrupting a slow decline from the April recovery tops. After that the market idled and prices were shaded toward the finish.

Aircraft, steel and a few other industrials strutted in front of the rally. When the upturn stalled, traders lost interest in these groups, too.

Transactions were only 426,070 shares, compared with 444,730 yesterday. The Associated Press composite price of 60 stocks finished .3 of a point higher at 39.5.

General inactivity prevailed in the Canadian list. Distillers, International Nickel, and Ford steadied fractions. Down slightly were Dome Mines, Marconi, Imperial Oil and Massey Harris. McIntyre was stationary; others inactive.
