Poor Ol' Black Sox Joe

By QUIN HALL

A few weeks ago, we had a little visit with Joe Jackson in Savannah, Georgia. Joe, once a well-known outfielder with the Chicago White Sox, is now proprietor of one of the most successful dyeing and cleaning establishments in Savannah. He has a business which is worth in the neighborhood of \$75,000 and he is held in high esteem by the good folks of Savannah.

At one of the uptown offices they told us that Joe was at his factory and there we found him. We shook hands. It was Joe who brought up the White Sox scandal which shunted the big fellow out of the national pastime. But for that it might never have been mentioned in our talk.

But Joe brought it up. In no uncertain terms. He still has a feeling that he got the worst of the deal—a feeling, by the way, which is shared by a good many of the fans. The passing years have mellowed the

scandal which reared its ugly head, but Joe can't forget. The thought that he was officially escorted out of the game is constantly before him. And as Joe looks straight in your eye and tells you his side of the story, it's hard to believe that he was guilty.

Of course, "Shoeless Joe" would like to come back to vindicate himself before the fans. "If Judge Landis could see his way clear to reinstate me," he said, "I'd like to play again. I'd take a job in any league and, if I didn't lead that particular league in hitting I'd play the season for nothing, you see it isn't the money I'm interested in. I have a good paying business here, but I sure would like to play again."

The big fellow has a feeling that he could still step with the best hitters in the game and that a year of heavy clouting might, at least, help vindicate him.

C. A. H. A. Rules Being Scanned

Just Now By Clubs And Players— Clause Affecting Non-Resident Players Of Particular Interest.

FREDERICTON, June 1.—The residence rules of the Canadian Amateur Hockey Association, which must be observed by the Maritime Amateur Hockey Association as a part of the same, are being perused with care just now. The regulations governing the playing of students with town clubs are of particular interest.

The sections which govern are as follows:

No player shall be eligible to play with any club unless he has been a bona-fide and continuous resident of the city, town or district that the club represents since the 15th day of May preceding the date of the first game.

No player who has changed his residence or club since January 1 preceding the season in which that player expects to compete shall be granted a certificate unless he has satisfied the C. A. H. A. through his branch of the bona-fides of such change, with complete and definite information regarding the change of residence on the other side of this form, which is supplied for the purpose by the C. A. H. A. Immediately upon his change of residence the player must notify the secretary of his branch on the form supplied for the purpose by the C. A. H. A., and no application for a player's certificate will be considered by his branch or the C. A. H. A. in any case where such notification has not been filed within two weeks after the change of residence is made.

June 1 Time Limit

No application received after June 1 will be considered.

In cities and towns having more than one club a player is not allowed to change without the permission of the branch and the C. A. H. A., after having first secured the written consent of his club. A player who desires to change his club or residence must first secure the written consent of his club.

In case a player under 20 years of age changes his club or residence he must also secure the written consent of his parents or guardian.

When prior to October 1 an employer changes residence of an employee who has had six months' continuous service prior to this change of residence, and that player still continues in that same employment during the whole of the playing sea-

son. Players receiving certificates under this clause automatically forfeit them if they leave the service.

When in the case of boys under 20 years of age January 1 the parents and the family change their residence and the boy continues to reside with the family.

No player shall be permitted to play for more than one club in the same season.

In case of a player residing in a rural district or village, he must play for the C. A. H. A. club nearest to his residence having a team entered in the series in which he is eligible to play, it being understood that a junior player has the privilege of playing in the nearest place to his residence which has a junior C. A. H. A. team. A bona-fide and continuous resident shall include a teacher or a student who may be absent from regular attendance at lectures at a home and registered and in actual and preparatory school, a high school, a university or an affiliated college providing said student satisfies the C. A. H. A. through his branch executive of the bona-fides of his attendance, but such teacher or student shall elect before the date of the first association match and shall notify the C. A. H. A. through his branch executive where his home is situated or with a club where the said school of learning is located.

Student Rule Cases

A student leaving a town to attend a high school in another town cannot qualify under the student rule if there is a high school in his own home town of the same grade, except upon application to the C. A. H. A. through his branch executive.

A junior player is one who is under 20 years of age on January 1 of the season in which he wishes to play. His club shall furnish the Executive Committee of his own branch with official proof of his age.

No player shall be eligible to play in a junior series if he has during the same season played in more than one game either intermediate or senior for his club in the association series and for the better interpretation of this clause any part of any senior or intermediate game shall constitute a whole game.

Hagen Wins From Compston

(Canadian Press)

BLACKWELL PARK, Birmingham, Eng., June 2.—Walter Hagen defeated Archie Compston one up in a 36 hole golf match yesterday, coming from behind to win. Compston won a 36 hole match from him Friday at Moor Park, seven and eight, four down. After nine holes yesterday "The Haig" came back to square the match at the 18th. He went one up for the first time in the two days play at the 20th hole, but after 27 holes was again one down. He squared the match again, however, and went on to win at the home pole.

Eastern Stables Well Represented

BANGOR, Me., June 2.—Down-east racing stables are well represented in the early closing events to be raced at the Bangor fair. The Keyes and Wathan stable of St. Stephen, have named their campaigners, Edna McKiyo, Capt. Liggett, Eula H., with Hollywood Lee in the colt race. From Aroostook stables are entries by T. V. Holdaway of Houlton, Walter Carmichael and John Willard of Presque Isle, and W. J. Shean of Caribou. The

IS INJURED

TORONTO, Ont., June 2.—Ethel Catherwood, world's champion lady high jumper, will be out of athletics this season, it is feared. Yesterday while training Miss Catherwood severely gashed her leg. She was removed to the hospital.

Woodstock Driving Club has named Hedgewood K. in the 2.15 pace expected to be a feature event with a long list of entries. The classes are all well filled including a good list in the two colt race.

What date is Your Birthday?

DON'T let Dad forget this is to be your Bicycle birthday. Better tell him plenty of time ahead so that it won't be too much of a surprise for him. Give him plenty of time to consider. Of course he'll want to see which is the best bicycle. Tell him that as long as it is a C.C.M. it's all right, whether it's a Red Bird, a Columbia, a Cleveland, a Perfect or a Massey.

5 Big C-C-M Features

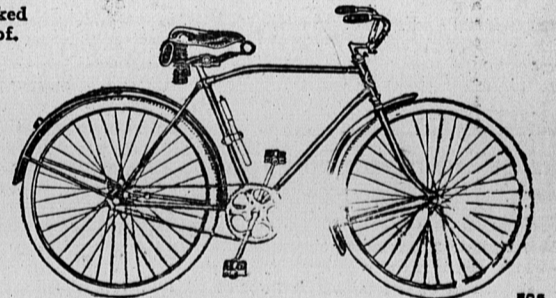

There are many more points of superiority than these five big features, but, judged by these alone, the C.C.M. is the "King of Bicycles."

1. The Triplex Crank Hanger, for smoother, easier pedaling.
2. The Hercules Coaster Brake, the "Little fellow with the Giant grip".
3. Twenty-year nickel-plating.
4. Three coats of enamel baked on over a coat of rustproof.
5. Dunlop Tires.
