LOCAL BRIEFS

Mr. W. P. DOULL has commenced the repairs of the fire alarm system of the city.

Mr. J. WHEATLEY'S poultry Exhibition will practically be opened today. Mr. Wheatley has taken a great deal of interest in the poultry industry of the Island and as stated before in the GUARDIAN, he will offer a number of cash prizes.

SUCCESSFUL OPERATION.—Mrs. Gunn, of Pictou, whom reference was made in the GUARDIAN some days ago, has been in the Prince Edward Island Hospital for the past five weeks, where she has undergone a critical operation for the removal of a large tumor from her left side which weighed upwards of 8 lbs. She has recovered sufficiently to be discharged from the Institution on Tuesday last. She has quite recovered from the effects of the operation and speaks in the highest terms of praise of the attending physicians, the matron and the nurses. Mrs. Gunn desires to strongly recommend the Prince Edward Island Hospital to the warm consideration of the charitably disposed public. She returns in a few days to her friends in Pictou.

A LARGE and intelligent audience greeted Mr. A. E. Arseneault in the A. O. H. Hall last night, and listened attentively to his very interesting lecture on the Transvaal. Before the lecture a spic program of vocal and instrumental music was rendered by some of the leading local talent. The lecture from beginning to end was interesting and the lecturer gave an excellent description of Ladysmith, and referred to the excellent republic buildings of Capetown. Durban also received its share of praise, and he informed his hearers that the last mentioned town was the prettiest he visited during his travels. The views were excellent, and when the life-like photos of our noble Capt. Weeks and the Canadian Contingent were thrown upon the screen loud applause was heard throughout the hall. At the conclusion of the lecture a vote of thanks to the lecturer was moved, in a neat and well delivered speech by Mr. P. J. Trainor, and was ably seconded by Dr. Morrison, who also complimented the lecturer on the manner in which he presented to his hearers a vivid description of the Transvaal. The evening's entertainment closed with the National Anthem.

LOST.—About a month ago, a gold chain bracelet, with lock attached, bearing initials D. C. L. and date. Finder will be rewarded by leaving at this office or at Johnson & Johnson's up town Drug Store. 13 2t.

Wild with Piles...

A Torturing Disease for which Dr. Chase's Ointment is a Positive Cure.
