THANKSGIVING DAY -- OCTOBER 13th

BURLINGTON & VICINITY

Mr. Victor Suntain is gradually recovering from his recent illness at his home at Rustico.

Mrs. W. J. Paynter, returned on Sunday to her home at Burlington after spending a few days at Sea View.

Mr. and Mrs. J. C. Saint, and Mr. and Mrs. Stanley C. Thompson, Charlottetown were visitors to Margate on Sunday.

Mr. and Mrs. Heath Mayhew and daughters, Freda and Diane, of Margate, were recent overnight visitors to Moncton, N. B.

Mr. George T. MacLeod, Burlington is gradually regaining his health after being ill for the past week with flu, and complications.

Mrs. James Croken has returned to her home at Norboro, after an enjoyable visit with her daughter, Miss Dorothy Croken at Moncton.

Mrs. Alwood Blakeney returned to her home at Sea View on Monday, from Kensington, where she

had been caring for the late Mr. Michael Mountain.

Mrs. G. H. Barbour and Mrs. S. C. Thompson, Charlottetown, visited Mr. and Mrs. John W. Hogg, Summerside, on Friday. Mrs. Barbour returned home the same evening, while Mrs. Thompson remained until Saturday.

Guests of Mr. and Mrs. Daniel Hickox, Burlington, on Sunday, were Mr. and Mrs. Arthur Houghton and daughters Velda and Lotie, of Hazel Grove; Misses Hilda and Evelyn Hickox, Hunter River; Mr. Claude Younker, Brookfield, and Mr. Ernest Profit, Irishtown.

A chicken supper at Sea View Hall on Thursday evening was a financial, social and gastronomic success. The appetizing viands were prepared and served by the women of St. Stephen's Church, Burlington, and the supper table was well patronized. Mr. John E. Campbell kindly auctioned off a number of cakes, swelling the financial total to well over the hundred dollar mark.

Mr. John Bernard and his mother, Mrs. Herbert Bernard, Long River, have returned from their

annual motor trip to Boston, Mass. Mr. Bernard drives a 1930 Ford which if not as speedy as the more modern type of car, continues to give reliable service and makes the trip to the States, each summer, without mishap.

A fairly heavy coat of gravel has been spread on the newly widened road from Bryanton's Corner to Warren's Mill now owned by Mr. D. Hickox which has been in a deplorable condition for several years. A 66 foot road now runs from Bryanton's Corner on the Irishtown Road to Long River, with the exception of the mill bridges, which have not yet been replaced to conform with the new width. Motorists are deeply appreciative of the vast improvement on this portion of the highway.

Loving care and a generous sharing of God's good gifts was evident in St. Thomas' Anglican Church, New London, on Sunday evening, October 5th, when the Harvest Thanksgiving was celebrated there. Rev. E. Fream, of Crapaud, conducted the service and received a warm welcome from former parishioners. The large congregation, which included a number of visitors, joined the choir in singing appropriate hymns. The beautiful dossal curtain made an ideal background for great bouquets of gladioli, effectively arranged, while dahlias and other flowers were used to advantage about the chancel. Vegetables and fruits were there in abundance, and arches of leaves and berries over the centre aisle added to the attractiveness of the well kept little church. Since last year, a handsome marble plaque, in memory of Otto A. Dunning who died of wounds in the service of his country, has been placed in the church by his sister, Velda.
