We make a specialty of growing vegetable and flower plants, as well as carrying on the most extensive market business in the Maritime Provinces.

For several years, we have devoted our whole time personally to the home garden, Mr. Campbell taking charge of the retail market, and we are in a better position than ever before, to attend to our large number of customers, at home and abroad. Ancient white stone churches with their gilded crosses rising to the sky. The cool green and blue of the gleaming, snow-capped Laurentian Mountains. The air is sweet and balmy. **SOMETIMES.**

Sometimes when o'er the woodlands hushed and cool,  
The gathering shadows of the calm night fall,  
When darkness lies upon the quiet pool,  
An evening song-bird plaintive calls,  
I hear the boom of breakers far away,  
As they rush upon the sandy shore,  
Thoughts come to me, some sad, some all gay,  
Memories of other days that long are o'er.

Sometimes when o'er this world of pain and smart,  
The first shadows of the evenings come,  
I sink to rest, thinking, I've done my part,  
Mid hours of rain and days of glowing sun,  
But when at last the darkness steals away,  
And the first rosy tints of dawn appear,  
All sadness with the night has passed away,  
All that is good and beautiful is here.

#### Lifeless Hair Doesn't Match a Graceful Form and Handsome Face.

### WAS A GREAT SUFFERER FOR FIVE YEARS FROM DYSPEPSIA.

Dyspepsia is one of the most prevalent troubles of civilized life, and thousands of people suffer untold agony after every meal, for nearly everything that enters a weak dyspeptic stomach acts as an irritant.

The long train of distressing symptoms, which render life a burden to the victim of dyspepsia, may be promptly cured by the use of Burdock Blood Bitters. Mrs. Wm. J. Boyne, Lepreau, N.B. writes:—"I thought I would write and tell you of the good Burdock Blood Bitters has done me and also tell you how thankful I am.

"For five years I had been a great sufferer from dyspepsia, and tried different doctors and proprietary medicines, but could get no relief. One day a friend told me to try Burdock Blood Bitters. I did not have much faith in it, but I thought I would give it a trial. To-day I am completely cured, and I will always recommend it."

Burdock Blood Bitters has been on the market for about thirty-five years and is manufactured only by **The T. Millburn Co., Limited, Toronto, Ont.**

### A CHANGE OF CHURCHES.

We've changed our church oh yes, indeed. We would not stay and be insulted every Sunday by the Minister that we had hired and paid our money to, and have him take delight in making us uncomfortable in everybody's sight.

He used to preach on holding back the poor man's loaf of bread. He used to hint at crooked deals till father's neck got red. He talked so much on politics and worldly things like that. At last the landslide had to come, and father grabbed his hat; with all the family after him he marched right out the door. And we never go to that church any more.

In all the time we held that man to earn his livelihood. He never spoke a blessed word that did us any good. "Our duty to our Brother," every week we had to hear. As if we didn't send our cheque for charity each year! But now we'll spend our money where they make us feel at home. With nice old gospel sermons, where the pastor doesn't foam about a lot of week days things meddle with affairs. That are the private business of multimillionaires. A preacher has to choose a text that doesn't make a sore. Or we never go to church any more.

### FRENCH MUSTARD.

3 tablespoonful of mustard, 1 tablespoonful of granulated sugar; mix well together then beat in an egg until it is smooth. Add 1 teaspoon of vinegar, a little at a time, working it all smooth; then set on the stove and cook three or four minutes stirring all the time. When cool, add 1 teaspoonful of the best olive oil taking care to get it all thoroughly worked in. You will find this very nice.

### Doan's Kidney Pills

Are the Best Remedy in The World FOR BACKACHE.

Many people fail to understand the significance of a lame, weak, sore or aching back. You overtax the kidneys—give them more work than they can possibly do—then they cry out in protest through the pain in the back. Backache is simply kidneyache and the best remedy in the world for backache and all kidney troubles is Doan's Kidney Pills.

We have thousands of testimonials from all quarters of the globe to prove this. Here is one from a party who used them in England, but who is now a resident of Canada.

Mr. P. R. Olanville, Wycliffe, B.C., writes:—"When living in the 'Old Country,' three years ago, I suffered severely from pains in the back, and had to give up work. The pain was so bad that when I stopped down to pick anything up, I felt my back must break. I tried all sorts of remedies and several doctors, but all to no purpose. One day I read of Doan's Kidney Pills, and thought I might as well try them, and to my surprise, before I was half through appeared, and it has not caused me any trouble since. I always keep 'Doan's' in the house and shall always recommend them to all sufferers."
