FOUNDATION WORK COMPLETED—The contract work for the excavation and foundation work for the new Canadian National Hotel is now completed and R. S. Allan Co. is at the present time completing the concrete footings for the columns. This extra work will be completed in about ten days. Mr. R. S. Allan leaves for Halifax this morning. ANOTHER SUCCESSFUL ISLANDER—The many friends of Mr. Fred P. Duffy, formerly of the Victoria Hotel, will be pleased to learn of his rapid progress in his chosen vocation in New York. After leaving Charlottetown he started in the dining room of the Hotel Russell, Park Avenue, and soon after was promoted to the position of assistant manager, which he held until November, 1928. He then decided to seek entrance to a bigger hotel and one which would hold greater opportunity for promotion, and entered the service of the Montclair Hotel as chief clerk, which position he held until September last, when he was appointed assistant manager. The Montclair is one of a chain of hotels, the others being The Buckingham, The Windsor, The Dixie and the St. Moritz. Guardian readers will look forward to the further progress of Mr. Duffy, whose capabilities as a hotel executive are well known and appreciated here.

ATTENDED ANNIVERSARY—Among the guests at a banquet held in Moncton to commemorate the seventh anniversary of the inauguration of the Tidal Wave Temple of Pythian Sisters, was Miss Joan White of Charlottetown, Grand Chief Pythian Sisters. The Moncton Times of Saturday, January 11th, carries an extended account of the celebration which was attended by over a hundred Pythians.

CROSS ROADS—A very pleasant evening was spent at the home of Mr. and Mrs. William McCallum on New Year's night, the event being a New Year's party. The large number of guests present enjoyed themselves in music and games. Mrs. M. W. Wood and Mrs. Beatrice Judson being the accompanist on the piano. Luncheon was served in Mrs. McCallum's usual good style and all hands departed in the wee small hours enthusiastically proclaiming it a real good time.

RECEIVES MEDAL—Mr. Wilfred McDonald arrived from Revere, Mass. to spend the Christmas holidays with his parents, Mr. and Mrs. Louis J. McDonald. He was accompanied by his cousin Raymond Shreenan of Kinkora, who is at present teaching in Wellington. Raymond has recently received the Gold Medal, awarded by the Alumni Association of St. Dunstan's University to the best Senior student of 1929. The medal is beautifully designed and neatly engraved, he is receiving the congratulations of his friends on his cleverness in having won this valuable prize.

ANOTHER BURGLARY—During the early hours of yesterday morning the grocery store of Mr. A. R. Wise on the corner of Euston and Orlebar Streets, was broken into by some unknown person or persons, and between ten and twelve dollars worth of goods stolen from the shelves, as well as about three dollars in small change from the till. Entrance to the store was gained through a door in the rear which had been barred previous to the closing of the store early the preceding evening. A large quantity of cigarettes and chewing gum was stolen. Neighbours living in the same building, Mr. Wise states, thought they heard a noise in the store at five o'clock in the morning. Mr. Wise did not discover his loss until he found the door open in the rear. He at once called the police who came to investigate the matter.

CROSS ROADS SCHOOL—The annual Christmas School Concert of Cross Road School, Lot 48, was held in the schoolhouse on Friday evening, December 20th. The night was perfect and a large crowd attended. It was estimated that over one hundred people were present. Much credit is due to the teacher, Miss Florence Clemons and also to Mrs. M. W. Wood, the accompanist on the organ. Mr. Frank Reeves capably acted as chairman and a well balanced programme was well carried out. At the close of the Program Santa Claus arrived in his usual jovial manner and distributed the presents from the heavily laden tree. The pupils gave the teacher a beautiful silk umbrella. A very enjoyable evening was brought to a close by singing "God Save The King." (Patriot please copy).

A letter of greeting from Mrs. Everett Stevenson was read, conveying her thanks to the Institute for remembrance at the Christmas season. A business program followed. The treasurer was directed to buy fruit for a sick resident in the community. A lively contest, social intercourse, and dainty refreshments made the social hour of the evening very pleasant. Miss Leah MacKinley kindly invited the Institute to her home for the next meeting on Wednesday evening, Feb. 5th, when roll call will be answered by "A Proverb."

Town Or Country Life

G. E. MacKENZIE—There seems to always have been a feeling in rural districts that the vast majority of town or city people were wealthy, and this feeling has ever kindled a desire in the breasts of young country folk to leave the good old farm for these centres of population and congestion where money apparently flowed so freely. This wrong impression has enticed many a young man away from good opportunities and transplanted him into a position of servitude where the compensation was small and the ultimate outcome was disappointing. Only by living a life of extreme carefulness does the wage or small salary earner store anything away for a rainy day. Expenses are always on a line with income and very often only through very careful watching are they prevented from going beyond the limitations of the weekly pay envelope.

Again, on the other hand, we find not a few promising young men of rural training rise to position of influence and power in city life, but is not this the result of that early training in the pure air and beauty of the country. In fact were it not for the constant drain on the country the towns and cities of this or any other land would, in a short time go into decline for the want of that freshness and vigor which develops only where air is pure and life is ideal. One makes his own opportunities, but the office boy, or under clerk does not marry the proprietor's daughter, and become the manager of the firm or business as frequently as fiction would have us believe. There are good chances everywhere in the city and in the country

as well, the door of success is still open as wide as it ever was and as much room at the top as heretofore but the ushers at its entrance are not so numerous as at that which leads. Anyone who has made up his mind that he is not suited to agriculture would do well to try some other line, but he should not be influenced in this decision by the false glare and tinsel of the city. Wealth comes slowly to the farmer, but it comes only to a very small fraction of the city. Country boys and girls should take warning from the tale of the dog and the shadow and not drop the bone in reaching for the shadow.

HORSE NOTES

The recent law has started the "race fever" among the Western horsemen, especially in the vicinity of Edmonton and Elmsdale. We see a great many of the "Bearcats" taking their morning jog-outs, ready for the ice-races, to try out their speed for the summer races, especially to be in good shape to make their "debut" this season at the big mid-summer races at New Annon on Aug. 6th. Among those most prominent are: Harry O'Brien's pacer, Lee Dillon, who was the winner at the Alberton Exhibition Races; Stanley Brown's big pacer, Brown Dillon, which he expects to burn up some in the hoppers this winter; also "Pussy Foot," owned by Dugal McCarthy, Tignish; Carl Weeks is very enthusiastic over his recent purchase of "Marion Aubrey," who showed well in her matinee last season; Raymond Aubrey, owned by J. W. O'Brien, is working nicely and looks as if he will tramp with the best; Fred Ronnie's Roy volo, seems to have the ability to make himself conspicuous on the home stretch; last but not least, Lucky Lindy, owned by Claud O'Brien, Alberton, looks as if he will

be a winning "star" and is expected to outclass his brother, Billy Cope, also his sire, Colonel Aubrey.
