IMPERIAL REGAL The Popular Drink

The genuine product is made by FRANCIS DRAKE, Only

Do not be deceived by misleading advertisement, or false representation by salesman who think they have to "make good" even on a counterfeit, or imitation. Beware of that product that has to run on another's name and reputation.

Our goods are the recognized standard among the best class of retailers, people who are making a success of their business by honest methods. They look with suspicion on the "just as good" crowd of imitators, etc., who are looming upon all directions since we have made a success of "Imperial Regal" as a beverage.
