John Sterling officiating in the presence of a large number of friends and relatives. At seven o'clock the bride, leaning on the arm of her father entered the parlor to the strains of Mendelssohn's wedding march, played by Miss Pearl Mutch, cousin of the bride. Four little girls, Jean Simpson, Millie Mutch, Helen and Christine Buntain, all prettily attired in white, acted as ribbon girls and formed an aisle through which the bridal party passed to their place beneath a lovely arch of ivy, ferns, and autumn leaves. Just before the sacred words were spoken, Mrs. Sterling gave a beautifully rendered solo, entitled "The Voice that Breathed O'er Eden." The bride was handsomely gowned in a costume of ivory silk de chene, with trimmings of net and shadow lace, her veil being caught in the tulle of a wreath of orange blossoms and she carried a bouquet of white asters and maiden hair fern. The bridesmaid, Miss Florence Ramsay, sister of the groom, wore silk voile, trimmed with pink satin and carried a bouquet of pink asters. Mr. Alvah J. MacNeill, brother of the bride did the duties of best man. After the ceremony the company, about eighty in number, was entertained to a sumptuous wedding supper, and the evening was pleasantly spent in social chat and music, and enlivened by the arrival of a large party of chaperons. The bride and groom were recipients of many beautiful and costly presents, which bore testimony of the high esteem in which the popular young couple is held. The following evening a reception was given at the home of the groom's parents, Mr. and Mrs. Ramsay will reside in the beautiful new residence at Hamilton. Their many friends join in wishing them a long and happy married life.

MOORE and McLEOD

HALLOWE'EN SOCIAL.

A successful Hallowe'en social, under the auspices of the Red Cross Society of Alma, was held at the home of Mrs. Mae G. Alley, on the evening of Oct. 29th. Outside, the piazza and near lawn were lighted by the old fashioned "Jack-O-Lanterns," the "Orgies" of childhood days. The large front room was artistically festooned from the ceiling to the floor with red, white and blue crepe paper; displaying also a number of Union Jacks, giving to the room a very unique and patriotic appearance. The sitting room was decorated with a large pompon of orange and black with festoons of the same colors extending therefrom to all sides; as was the adjoining "witches cabinet" from which a "wise and winsome" witch furnished jovial entertainment, in the form of love-lore and fortunes, to all who wished to test the mysteries of her occult talents. The ceiling of the dining room was transformed for the occasion into a large bell-shape, formed by narrow ribbon decorations comprising all the colors of a rainbow, beneath which was arranged the well patronized supper tables of the evening. An evening entertainment was enjoyed by all, consisting of violin music by Mr. Peter O'Brien, accompanied by Miss Bertha Gillis and Mrs. Minnie Marchbank of Montrose. A Battle Hymn of Prince Edward Island, the words being composed by Herbert L. Alley of Alma, and arranged to the march music of the old tune "Battle Hymn of the Republic" by Boyd, Hamill of Greenmount, was sung by Mrs. Marchbank. The evening's work resulted in a cash increase of thirty-two dollars to the funds of the Red Cross Society; all the ladies of which feel well pleased with the outcome of their united labors.

MEAT PACKERS LODGE A NEW COMPLAINT.

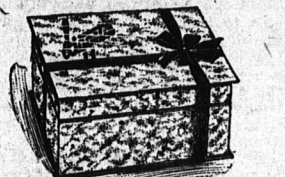

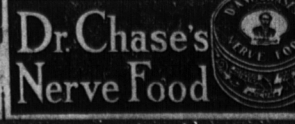

WASHINGTON, Nov. 4.—Counsel for Chicago packers called at the State Department today with a complaint that Great Britain had imposed new and more rigid restrictions upon their trade with neutral European countries, they asked that special representations be made to the British Foreign Office, and the matter is now being considered by the department. The attorneys discussed with Counsellor Polk and Consul General Skinner, recently returned from London, the status of the packers' cases pending in British prize courts, and the shipping situation generally. After the conference Alfred R. Urion, Henry Veeder and Luther M. Walter representing Armour & Company, Swift & Company; G. H. Hammond & Company and Morris & Company, gave out the following statement: "The immediate cause of our visit to Washington today is the instructions issued to the steamer Christiania of the Norwegian-American line which expected to sail on November 6 from New York for the Norwegian port of Christiania. Such instructions prohibited the steamer from the further loading of the Chicago packers' products, destined to resident buyers in Sweden, declares the guarantee consumption in that country. "These instructions we are informed, are due to the threat of Great Britain that unless the steamship companies enforce such requirements, Great Britain will seize the ships and cargoes on route to Christiania and confiscate such cargoes."
