**High Class Millinery**

As usual with us in the Fall season the space taken up by the immense stock of furs, wools, ladies' suits, and mens' ready made clothing, stocked on the second floor, precludes the possibility of a formal millinery opening, but nevertheless all are welcome to come at their leisure and view the very latest and best ideas from the world of fashion.

Our head milliner MISS CASSIE REID who has lately arrived spent several weeks in copying from the most approved Paris and New York models, and has ready a showing of superb styles, which can not fail to meet with the approval of all lovers of artistic work.

All are cordially invited, and orders will be attended to in a prompt and efficient manner.

Our showing of high class furs also demands more than passing notice, and visitors to the Exhibition should not fail to call, admire, and, if agreeable, purchase.

We would also call attention to the very desirable range of Ladies' tailored suits at moderate prices. These come in black, navy, myrtle, brown, etc., and are proving extremely popular.

**GAY'S MARKET.**

The frost we have had of late has not damaged the tomato or cucumber vines, but the next may be more severe, and it is advisable to take advantage of the present low price and secure a full supply of tomato for chow and pickling.

Tomatoes are now at their best, onions red and white at lowest prices, small white onions particularly adapted for pickling are quite plentiful, small cucumbers and cauliflower, only a limited quantity.

When in town Exhibition week, do not forget to call at our daily market, better to forget to take in the exhibition. We wholesale green tomatoes, onions, cabbage, beets, carrots, parsnips, eggplants, celery, corn, lettuce and other vegetables.

Every country store on the Island should send for our wholesale prices. Customers would appreciate the convenience of being supplied in the vegetable line at home, as many farmers have not the time or inclination to grow them for themselves. J. J. Gay & Son, Charlottetown Market. 9-20d1w.
