CARD!
CHARLOTTETOWN, March 4, 1901.
ELECTORS OF EAST QUEEN:
GENTLEMEN: You are aware, no doubt, that
a new Election for East Queen has been
ordered for 20th March.
Time will not permit me to make a personal
appeal, nor will I be able to hold many meet-
ings, but have selected a few central places
and most depend on the active work of the
friends of our party in every poll. I again urge
upon our friends to keep within lawful bounds,
using no liquor nor money, but to put forth
every legitimate effort for the success of
Liberalism which is clearly the best for this
country.
As the Liberal Government has been so
handomely returned throughout the Dominion,
and their policy so generally approved of,
I need not enter into the public questions so
fully as I did during the last campaign. It is
not open to argument that the interests of the
Riding will be more sympathetically treated if
a representative is elected to support rather than
to oppose the Government, that is ge-nerously
doing justice to this Riding.
The greatest need of the Province which I
see is to complete the Southern Railway and
Hillsboro Bridge, and also to obtain an addi-
tional annual cash subsidy from the Dominion
Government.
I will devote my energies as your representa-
tive to secure these for the Province.
It is a high honor to represent so large a Rid-
ing and a great responsibility as well. I shall, if
elected, try to perform my duties as your rep-
resentative for the general good. It is
I must express my gratitude for all the kind-
nesses received during the recent campaign
in the different parts of the District.
March 5.
Yours Faithfully,
D. A. MACKINNON.

titled "For the Flag Lays and Incidents of

pen of a well-known writer, Mrs. McLeod,

COULD SCARCELY WALK.
Mr. George Thompson, a leading
merchant of Blenheim, Ont., states:—"I
was troubled with itching piles for
fifteen years, and at times they were so
bad I could scarcely walk. I tried a great
many remedies, but never found anything
like Dr. Chase's Ointment. After the
third application I obtained relief, and
was completely cured by using one box." Ask
your neighbors about Dr. Chase's
Ointment, the only absolute cure for
piles.

CONTAGION AND INFECTION.
La Grippe is Infectious but Not
Contagious.
Contagious disease are communicated
from one person to another; infectious
disease are conveyed through the air.
Smallpox is a contagious disease; La
Grippe is infectious. When an epidemic
of the grip is prevailing it is in the air we
breathe and no one is safe.
The only safeguard is to keep the sys-
tem in the highest possible condition of
health and on the first appearance of a
cold in the head to use some safe antiseptic
like Stuart's Catarrh Tablets freely,
a tablet taken every hour or two for a
couple of days will be sufficient to break
up the attack.
La Grippe attacks the the weakest part
of the system, it may be the lungs, heart
liver, stomach or kidneys but wherever
it finally locates it almost invariably starts
with cold in the head and throat or in
other words, the disease at the beginning
is acute catarrh.
This is the reason Stuart's Catarrh Ta-
blets have been so successful in breaking up
attacks of grip. The antiseptic prop-
erties of the remedy destroy the germs be-
fore the whole system is thoroughly in-
fected.
Dr. Anniston says: Stuart's Catarrh Ta-
blets being free from cocaine and harmful
drugs should be freely used at this time
of the year on the first appearance of grip
symptom.
They check the excess've catarrhal sec-
retions, stop the fever and prevent pneu-
monia.
They are composed of antiseptics and
may be used by little children as freely as
by adults and with great benefit.
Dr. Lewiston says: My usual prescrip-
tion for the grip is Stuart's Catarrh Ta-
blets which can be found at all drug stores.
Keep to the house for a day or two and
use the tablets freely and I have never
heard any complaint of failure to cure.

two children Hood's Sarsaparilla as they
were subject to throat trouble and were not
very strong. They are now healthy and
stronger and have not since had a cold."
