

The sun never sets on Sunlight Soap. Used in every country in the globe in preference to common soaps because it cleanses clothes more thoroughly, at half the cost and without injury to hands or fabric. Just try **SUNLIGHT** 5c

We will give \$5,000 to anyone who can find adulterants in Sunlight Soap.

Use Sunlight Soap according to directions—try it just once—and convince yourself that it will do twice as much as other soaps.

make you any cooler to talk about it, and it will probably serve to recall someone's else mind to a disagreeable subject. Wonders can be accomplished by eliminating the words "temperature" and "humidity" from the vocabulary during the summer months. If a thermometer appears to be an essential in the equipment of your summer home, either buy one which is consistently conservative in its readings, or else make a point of never consulting it except during the cool hours of the evening. It is amazing how much harm an ill-chosen observation of what the thermometer is saying can do when casually interjected into an otherwise safe and sane conversation. There is the very best of medical authority for believing that if we can only keep our minds cool, our bodies will not be nearly as amenable to hot and sultry weather, for which reason, it is well to avoid the man who regularly converses about the weather just as one would a hot furnace. Another excellent thing to keep away from are the very elaborate and complicated "cold drinks" which spring up luxuriantly with the first "hot spell" of the summer, and are never again revived. Why it should make anyone cooler to pour into the stomach a variety of indigestible and highly flavored essences is a matter on which, apparently, the dispenser of cold drinks is the only authority.

**PASTIME CAMP CLUB NOTES**

"Written Specially For The Guardian."

**ST. PETERS, July 27**—All the boys are in the best of health and thoroughly enjoying themselves.

The boys were treated to a delightful motor boat sail on the beautiful waters of St. Peter's Bay last evening in Ross McEwen's motor boat, commanded by Capt. McEwen and his staff.

The Pastime Club had a peculiar experience on their return from the motor boat sail last night when at 11.30 p. m. they were visited by Prof. Austonio Traynorium and his large performing bear McTaggart. After overcoming their fears and becoming accustomed to the strange apparition they thoroughly enjoyed the many difficult stunts performed by the bear.

Big Chief Battle Axe and his interpreter, attired in full official costume paid us a friendly visit last night. We will be glad to welcome the chief to our camp again.

The camp band intended putting on a concert in the Public Gardens in the near future.

A large derrick is being constructed to remove Paddy and Eny from their beds in the morning. More to follow.

**FOR ECZEMA**

A Treatment That is Guaranteed to Give Relief.

Eczema is parasitic in nature. It is said to be a contagious disease. Until the parasite or germ hidden in the skin is completely destroyed and removed, eczema cannot be cured. Only one-third of all skin disease is in the form of eczema. It affects persons of all ages and classes. It is very prevalent among people between the ages of 20 and 40.

We unhesitatingly guarantee to return every cent paid us for Rexall Eczema Ointment in every case where it fails to give entire satisfaction. It possesses remarkable cleansing, antiseptic, healing and curative powers. Its great value is very pronounced in the treatment of eczema, whether of the dry, scaly sort or of the weeping type, where there is a constant flow of an ill-smelling excretion, or of the other intermediary forms, such as ringworm, acne, pimples, blotches and discolorations.

Rexall Eczema Ointment is very useful in treating ulcers, sores, wounds, insect bites, nettle rash and hives. It is particularly recommended for the treatment of children who are tormented with itching, burning and disgusting skin disease. We urge you to try a box at our risk. Your money waits you if you are not satisfied with the treatment. Two sizes, 50c. and \$1.00. Remember, you can only obtain Rexall Eczema Ointment in this town at our store—the Rexall Store, MacKinnon Drug Co.
