**BABY'S AWFUL ITCHING ECZEMA**  
Sores and Scales All Over Face and Body—Could Not Tell What She Looked Like—Unable to Sleep—Grew Worse Under Doctors.  
**CURED BY CUTICURA IN ONE MONTH**

A grateful mother, in the following letter, tells of another of those marvelous cures by Cuticura. "When my baby was four months old her skin broke out with a humor. I took her to a doctor, who treated her for eczema, but she kept getting worse. Her little face and body were so covered with sores and large scales you could not tell what she looked like. No child ever had a worse case. Her face was being eaten away, and even her finger nails fell off. It itched so she could not sleep, and for many weary nights we could get no rest. At last we got Cuticura Soap and Ointment, first bathing her with warm water with the Soap, and then spreading the Ointment with soft cloths. I saw a change in a week. The sores began to heal, and she could sleep at night, and in one month she had not one sore on her face or body. Any mother having children with eczema or humors will find a friend in Cuticura Soap and Ointment. (Signed) Mrs. Mary Sanders, 709 Spring Street, Camden, N. J., Aug. 14, 1904."

**INSTANT RELIEF For Baby and Rest for Tired, and Fretted Mothers**

The foregoing statement justifies the oft-repeated assertion that Cuticura Soap and Ointment afford instant relief, and permit sleep for baby and rest for tired mothers, and point to speedy, permanent, and economical cure in the most torturing, disgusting, itching, bleeding, scaly, and crusted skin and scalp humours of infancy and age, when all else fails.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Agents: London, Wm. L. GOSWELL, 5, Paris, 5, Rue de la Paix; Australia, H. Thomas & Co., Sydney; Foster Drug & Chem. Co., Boston; S. C. Phipps, 27-Market Free, "How to Cure Baby Humours."

"Thank heaven that you have come! I feared that you had given it up in despair. What am I to do? Shall the examination proceed?"  
"Yes, let it proceed, by all means."  
"But this rascal!"  
"He shall not compete."  
"You know him?"  
"I think so. If this matter is not to become public we must give ourselves certain powers and resolve ourselves into a small private court martial. You there, if you please, Soames! Watson, you here! I'll take the armchair in the middle. I think that we are now sufficiently imposing to strike terror into a guilty breast. Kindly ring the bell!"  
Bannister entered and shrank back in evident surprise and fear at our judicial appearance.  
"You will kindly close the door," said Holmes. "Now, Bannister, will you please tell us the truth about yesterday's incident?"  
The man turned white to the roots of his hair.  
"I have told you everything, sir."  
"Nothing to add?"  
"Nothing at all, sir."  
"Well, then, I must make some suggestions to you. When you sat down on that chair yesterday did you do so in order to conceal some object which would have shown who had been in the room?"  
Bannister's face was ghastly.  
"No, sir; certainly not."  
"It is only a suggestion," said Holmes suavely. "I frankly admit that I am unable to prove it. But it seems probable enough, since the moment that Mr. Soames' back was turned you released the man who was hiding in that bedroom."  
Bannister flicked his dry lips.  
"There was no man, sir."  
"Ah, that's a pity, Bannister. Up to now you may have spoken the truth, but now I know that you have lied."  
The man's face set in sullen defiance.  
"There was no man, sir."  
"Come, come, Bannister!"  
"No, sir; there was no one."  
"In that case you can give us no further information. Would you please remain in the room? Stand over there near the bedroom door. Now, Soames, I am going to ask you to have the great kindness to go up to the room of young Gilchrist and to ask him to step down into yours."  
An instant later the tutor returned, bringing with him the student. He was a fine figure of a man—tall, lithe and agile, with a springy step and a pleas-

ant open face. His troubled blue eyes glanced at each of us and finally rested with an expression of blank dismay upon Bannister in the farther corner.  
"Just close the door," said Holmes. "Now, Mr. Gilchrist, we are all quite alone here, and no one need ever know one word of what passes between us. We can be perfectly frank with each other. We want to know, Mr. Gilchrist, how you, an honorable man, ever came to commit such an action as that of yesterday."  
The unfortunate young man staggered back and cast a look full of horror and reproach at Bannister.  
"No, no, Mr. Gilchrist, sir, I never said a word—never one word!" cried the servant.  
"No, but you have now," said Holmes. "Now, sir, you must see that after Bannister's words your position is hopeless and that your only chance lies in a frank confession."  
For a moment Gilchrist, with upraised hand, tried to control his writhing features. Then he had thrown himself on his knees beside the table, and, burying his face in his hands, he had burst into a storm of passionate sobbing.  
"Come, come," said Holmes kindly, "it is human to err, and at least no one can accuse you of being a callous criminal. Perhaps it would be easier for you if I were to tell Mr. Soames what occurred, and you can check me where I am wrong. Shall I do so? Well, well, don't trouble to answer. Listen, and see that I do you no injustice."

**When Bilious and Sallow**  
REMEMBER THAT THE LIVER IS PROMPTLY SET RIGHT BY  
**DR. CHASE'S KIDNEY-LIVER PILLS.**

Many people are subject to periodical attacks of biliousness, sick headache, stomach troubles and bowel irregularities who do not realize that the liver is especially responsible for this suffering. Torpid, sluggish action of the liver is almost invariably accompanied by inactivity of the kidneys and bowels. The whole digestive and excretory system becomes clogged up and there are pain, discomfort and suffering.  
Because Dr. Chase's Kidney-Liver Pills have a direct and combined action on kidneys, liver and bowels, they effect a prompt and thorough cleansing and invigoration of these organs.  
With all the poisonous waste matter removed, pains and aches disappear, the digestive system resumes its functions, the appetite is sharpened and health and vigor are restored.  
As a family medicine Dr. Chase's Kidney-Liver Pills have never had a rival, for they get right at the cause of the common ills of human life and remove it. By their promptness and thoroughness they win the praise of all who give them a trial.  
MRS. H. S. MOAR, Montague Bridge, P. E. Island. "I have used Dr. Chase's Liver Cure and five or six boxes of his Kidney-Liver Pills, and can say that this is the only treatment that I ever got to do me any good. For eight or ten years I was a terrible sufferer from biliousness and liver trouble, and though I went to doctor until I was tired and discouraged he could not do me any good. I can truthfully say that I believe Dr. Chase's Liver Cure has saved my life. I found it a little strong at first, but was very glad to get a cure. Under these circumstances, I am in a position to recommend Dr. Chase's Liver Cure very highly to persons suffering as I did."  
Dr. Chase's Kidney-Liver Pills, one pill at a dose, 25 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto. Portrait and signature of Dr. A. W. Chase, the famous receipt book author, on every box.
