WHAT CAUSES THE BLUES

London, Eng.—Doctors have discovered that the "blues" or "mental depression and irritability" is really a disease caused by defective circulation in the cells of the brain.

The "British Health Review" says "by improving the circulation, there is an immediate improvement in the mental outlook".

If this is the case, we Canadians do not have to wait for the foreign scientists to pursue their investigations any farther. We have the cure for the "blues" in those wonderful fruit liver tablets called "Fruit-a-tives".

It is doubtful if the greatest physicians abroad will ever discover anything to equal "Fruit-a-tives" to purify and enrich the blood and improve the circulation.

They go straight to the root of the trouble, stimulating the torpid liver and kidneys and regulating the bowels. Thus they cleanse the whole system and renew vitality, mental as well as physical.

50c a box, 6 for $2.50, or trial size 25c. At dealers, or from Fruit-a-tives Limited, Ottawa, Ont.

RATHER STALE BREAD.

"What! a loaf of bread over 1,800 years old? Nonsense!" Well, my friend, there is no nonsense about it. You can see several of them in the Royal National Museum, at Naples, burned black like carbon, or charcoal. They were found in the ruins of Pompeii, a city that was buried by an eruption of hot, fiery ashes from Mount Vesuvius in the year 79. No one could eat this bread, although carbon is the element in our food that promotes heat in the body.

When Indigestion prevails, your food does not nourish you and you have headaches, poor blood, constipation, dizziness, and other ills. Mother Seigel's Syrup, the sure herbal remedy cures all these ills. Mr. Burton Shortliffe, Central Grove, Digby Co., N.S., writes:—"I was troubled with Indigestion for a long time and found no medicine to give such immediate relief as Mother Seigel Syrup. For Indigestion and all Stomach Troubles it is a grand remedy."

THE MORNING PAPER.

Some Reasons Why it Makes The Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, eaths, forces her to read it.

The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered, for the day or week.

In a majority of homes the newspaper is practically the bulk of the reading matter, and the long, all-day life from 5 a. m. to 10 p. m. of The Morning Paper gives not only the housewife but every member of the family an opportunity to read it.

The Morning paper is read at the breakfast table, again at home at noon, on the trains, in the restaurants. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employee.

It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are morning Papers.

With these facts in mind, the business man who is looking after the real money-spenders of the family to interest in his goods will consult his best interests by placing his announcements where the women will read them.

In many cases we have succeeded in suiting persons comfortably and satisfactorily giving a weaker lense than previously used, but then we used the RIGHT lense, and a right correction goes a long way.

AFTER SUFFERING TEN YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

MARLTON, N.J.—I feel that Lydia E. Pinkham's Vegetable Compound has given me new life. I suffered for ten years with serious female troubles, inflammation, ulceration, indigestion, nervousness, and could not sleep. Doctors gave me up, as they said my troubles were chronic. I was in despair, and did not care whether I lived or died, when I read about Lydia E. Pinkham's Vegetable Compound; so I began to take it, and am well again and relieved of all my suffering."—Mrs. GEORGE JORDY, Box 40, Marlton, N.J.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.
