

You Simply Must Have Pep

NOTHING counts like pep. Snappy, trigger action—aimed right—timed right. Pep brings the pep that meets all emergencies.

Delicious, golden-flaked Pep! Just the cereal for breakfast. Health in a package. Ready to eat.

Kellogg's Pep is whole wheat, full of nourishment and pep-giving energy. Rich in the vitamins and body-building elements of nature's most perfect grain food.

And the bran. Just enough to be mildly laxative. Helps prevent constipation. Pep peeps you up. Pep keeps you fit.

Put Pep into tomorrow's breakfast. Serve it for lunch or dinner, too. With milk or cream. Fresh or canned fruits or honey may be added for extra relish. Pep up with Pep. Your grocer has Pep.
