A CANADIAN WEDDING IN CHICAGO.—On January 10th, the home of Dean Shailer Mathews (of the University of Chicago) and Mrs. Mathews was the scene of a very pretty wedding. Rev. John T. McNeill, of the staff of Westminster Hall, Vancouver, B.C., was married to Miss Nettie Hardy, daughter of Mr. and Mrs. Charles R. Hardy of Parkville, B.C. The bridegroom is the son of Mr. and Mrs. Wm. McNeill of Alberton, P.E.I. The minister who performed the ceremony, Rev. H. F. Waring, now of Berwyn, Ill., is a well known Canadian clergyman. Miss Hardy was a charming bride. She wore a dress of bronze velvet cloth, a black picture hat black fox furs and a corsage-bouquet of bridal roses and lilies of the valley. The guests were Prof. P. G. and Mrs. McNeill, Miss M. L. Cook, cousin of the bride, Rev. Edward Zbstovsky, Miss Berner Dixon, and Rev. C. A. and Mrs. Dawson. After the wedding luncheon, the happy couple left for their new home 339 East 33rd St., where they will reside during the winter term of the University of Chicago.

HEROIC ISLAND GIRL.—The following clipping from the Boston Post will be of interest here as Miss Doyle referred to is a daughter of Mrs. M. Hughes, Richmond Street, City, and a sister of Mrs. J. J. Desmond and Mrs. Fred Percher. City and Miss Emily Doyle, Hope River. She has also three brothers in this city and three sisters in Boston. Two women employees of the Frost Hand Laundry were recovering from the effects of gas poisoning last night, and physicians said that they would escape the fate of one of their employers, Albert E. Frost who was suffocated yesterday morning. The women, Miss Hannah Scannelle and Miss Theresa Bait, owe their lives to Miss Elizabeth H. Doyle, the bookkeeper at the laundry, located at 195-197, Massachusetts Avenue. It was Miss Doyle who found her employer dead and two women unconscious in the basement, where gas was escaping from a leaky gas heater. Edward Drinkwater, another employer, complained of illness early yesterday morning and was allowed to go to his home. Frost, whose home was at 4 Lester place Jamaica Plain, took Drinkwater's place in the wash room.

GONE TO SUMMERSIDE.—The Prince County recruits for reinforcements to the 105th Battalion, 20 in all who have been stationed at Charlottetown are now quartered in the old Western School barracks, says the reporter. It is hoped in Summerside that these numbers will increase rapidly now that the recruiting campaign in Prince County is well under way.

FIRE YESTERDAY.—The firemen had a call-out shortly before noon on Sunday for a fire in the basement of Mr. Thomas White's confectionery on Sunnyside. The alarm was sent in by Mr. Ernest Davy, who happened to be passing, and noticed smoke issuing from a cellar window. The firemen made a quick response, and put out the fire with an extinguisher from the chemical engine. It was found that the fire was caused by a pipe from the furnace becoming overheated, the cause of the fire to ignite the damage which is mainly from smoke will not likely be to the extent of more than \$100.

MEASUREMENTS OF THE MERCURY.—The long expected snow has arrived, and when it did come quite a number of citizens were surprised. As a consequence the plumbers about town were wearing a cheerful smile on Saturday and reported business brisk for the time of the year. The coldest during Friday night, according to the official figures, was 8 1/2 degrees below zero, though many private thermometers registered as low as 10 1/2. At one o'clock on Saturday morning the official mercury was still remaining on the job at 8 1/2 degrees, but at 9 a.m. it budged upward a half degree and after that it loosened somewhat. The coldest during Saturday night was four degrees (official) and by five o'clock on Sunday afternoon it was five above, the highest during the day.

CANADIAN PRISONERS OF WAR. Canon Simpson has forwarded \$390.00 to the Canadian Red Cross Society in London to provide food and comforts for our adopted prisoners since Jan. 1st. Among the latest contributors are the Bethel and Onward Bible Class, Springfield, Lot 8, \$15.00 donation. The Charlottetown Women's Club \$25.00 for adopted prisoners for six months. A number of inquiries have come from various societies during the past week, and it is hoped to be able to report 70 prisoners adopted before the end of the month. It is a pleasure to receive donations from those who cannot undertake to support a prisoner. A mother of one of the prisoners brought a letter from her son saying how thankful he was for the weekly boxes of food which he received regularly. A father of another prisoner wanted a uniform for his son. This was obtained and sent by parcel post. Several parents have brought small sums to be sent as pocket money for their boys. Dr. J. T. Jenkins has given 15 pairs of beautiful socks, which have been forwarded to Island prisoners. For information apply to Canon Simpson, treasurer, 21, Fitzroy St., Charlottetown.

WELL-KNOWN STEAMER SUNK. Lloyd's announces that the British steamship Manchester Inventor, 4,247, which has called frequently at Charlottetown and taken cargoes to Manchester has been sunk. The Manchester Inventor left Halifax on January 5th for Manchester. She had 3,000 barrels of apples from this port. Of these 1012 were shipped by the United Fruit Companies of Nova Scotia and the remainder were from W. H. Chas., of Wolfville, the N. S. Fruit Shipping Co., Berwick, and Howard Bligh & Sons, Halifax. She also has 16,000 bushels of grain, 400 tons of meats and other provisions, 350 standards of deals and other general cargo. She carried a crew of 35 men. Furness Withy & Co., are the Halifax agents for the Manchester line.

CHERRY VALLEY DAIRYING CO.—The annual meeting of this company was held in the hall on Tuesday and was fairly well attended. The chair was occupied by the President, Mr. James E. McEachern, who read an account of the business of the past year, which was transacted in a way that was satisfactory to all the patrons. The election of directors resulted in the following gentlemen being elected: Messrs. James E. McEachern, Harry Tweedy, Joseph McInnis, Dennis Carey, Alex. McDonald, John Doyle and James P. Irving. At a subsequent meeting of the Directors, last year, President and Secretary were re-elected.—Q.

ST. MARK'S CHURCH.—The annual meeting of St. Mark's church, Rustico, P.E.I., was held in the above church on Tuesday evening, Jan. 16th. The Rector, Rev. Mr. Colclough, opened the meeting, and occupied the chair. Owing to the few Anglicans in Rustico, a bare quorum was present, but this represented a few more than on the last occasion, when a similar meeting was held in Feb. 1915. The Minutes of the last annual meeting were read and adopted. The D.M.B. apportionment was then discussed. The meeting decided to shoulder one quarter of the amount, and agreed to try and pay the amount regularly each quarter to the Synod office. Officers for 1917 were elected as follows: E. Bulman, Rector's Warder and Sec. Treas. to the Vestry. Wm. Duncan, People's Warden. Vestrymen, Messrs. John McKay, Al. Craswell, J. Mutch, Thos. Craswell, Robert Craswell, Ed. Carr, Delessio to Synod, etc. Mr. Wm. Duncan; and as substitute, Mr. E. Bulman. It was then moved, seconded and carried that the necessary sum be paid as soon as possible to the Insurance Co. so that the insurance policy on the church be carried on when the present policy expires. It was also resolved to ask Mr. Ed. Carr to act as Collector for the Vestry. The Treasurer, Mr. E. Bulman, then proceeded to read his financial returns for the past year. Church offerings for 1915 amounted to 97 cents, as against \$20 for the last quarter of 1915. Total receipts for 1915 amounted to \$143.15. Total expenses for 1915 amounted to \$125.80. Credit balance on hand \$17.30. The Rector then brought the meeting to a close. (Other papers please copy.)

HAZELBROOK DAIRYING CO.—The annual meeting of the Hazelbrook Dairying Co., was held in the School house at Hazelbrook on Wednesday 17th with quite a large representation of patrons and shareholders present. Owing to the increased value of milk the past season a much livelier interest is being taken by the patrons and by all accounts next season promises to be the banner one for some time as several new patrons anticipated sending milk this season. The quantity of milk received during the past cheese season, was 653123 lbs. The average price realized for cheese was 15.78 cts. per lb. which netted the patrons having a 3.6 per cent. test \$1.474 cents per hundred of milk. This after paying 2 1/2 cts. per hundred lbs. of milk being a balance payment on a new boiler purchased last year. This total of \$1.50 per hundred lbs. of milk was the largest price ever paid by the Company and should be an incentive to patrons to increase their flow of milk during the coming season. The patrons sending the largest amount of milk during the past season were: A. D. Brehaut, Village Green; Layton McCabe and Benj. Wood, Alexandria; N. Robertson, Wm. H. Ings and Locke Jones, Pownal. The following are the officers for the ensuing year: John Smith, Pres. Locke Jones, Vice-Pres; A. D. Brehaut, J. W. Ballem, M. McRae, Jas. Monaghan, Layton McCabe, Pope Noy, Auditor and W. J. MacEachern, Secretary. A very lively discussion took place on "Winter Dairying" participated in by L. McCabe, Jas. B. Jones, A. P. Ings, Locke Jones and others. On a vote being taken the majority of those present favored operating the factory for butter during the spring and after the cheese season.

REBUILDING TOWN IN FRANCE

home to the town hall by these two American women, after special permission obtained from the Government.

Vitrimont is one of a score of towns in Lorraine destroyed by the armies of the Great Princes of Germany and Bavaria, who burned and destroyed more villages than all of the other German armies in France combined. Before the war it contained about 60 houses. Of these 35 were razed by fire or bombardment, and all houses suffered some.

Vitrimont will be the first town in western France to be rebuilt, and it will be rebuilt from the humblest Mrs. Crocker and Miss Polk.
