

Baby Needs Special Care During the Hot Months

We take particular pleasure in making it easier for mothers to insure Baby's comfort during the summer and we have many things that will prove a great help to you in caring for the little one.

It is very easy to put off buying the things you really need for Baby, but you should overcome this habit. We have planned to display some of our appropriate summer needs for Baby in our window and you are invited to come in and talk over the needs of your infant. Don't put it off. Come and talk about Baby's comfort now.

We feel confident we can offer some helpful suggestions.

BOY LIEUTENANT LEADS HIS PLATOON ACROSS NO MAN'S LAND TO VICTORY

"BABY" 19 YEARS OLD, THE IDOL OF HIS MEN, WITH AN OBSESSION FOR CLEANLINESS, ESCAPES BOCHES' FIRE IN DARING CHARGE BUT SOILS HIS NEW TUNIC

LONDON, Aug. 25.—A "Daily Express" soldier who has taken part in present advance writes the following: He came to us with a draft from England just six weeks before the Big Push began. He was barely nineteen—a fair-haired, blue-eyed, rosy-cheeked boy, obviously only recently released from the fostering care of his public school. "O. T. C. rules."

"We of the rank and file, who had become one with dirt and mire and grime, found him at once a joy, a ray of sunshine in the murk of our trenches, for he was so clean and bright and polished and groomed all over that it seemed hardly fair to soil him. He was such a boy!

When it was all over we had twenty-three Boches in tow. Their trenches had been fairly well blown in, and Babes had gone down alone with only his revolver and his silk handkerchief to fetch them out of their snug dug-out. He was a humane boy who played the game, and as he stood at the dug-out door he yelled in what I took to be a sort of German:

"Take your choice—surrender or have a bomb. Say it quick, too."

They surrendered.

We got our prisoners back, under fire of course, but just before we reached our safety nook Babes, who was now in the rear, fell into a shell hole. He was not hit. Simply slipped on the sloppy ground into the mud. I think everyone's heart stood still when he went down. We thought he had been hit. When he got up our Babes was as dirty as any mud-lark, and he was very angry. For the first time since he had come to us he betrayed himself in a temper. He had faced death like the hero he is without wincing, but this was too much.

"To hell with the Germans," he cried, "look at my tunic!"

There's a mother's boy for you—and God bless him!

London, Aug. 26.—The Daily Chronicle says that the Royal Horticultural Institute of Berlin has been experimenting with various leaves to take the place of tea, which, at \$2 a pound, is too costly for the ordinary citizen. More than twenty different kinds of leaves have been tried, but only three were found to contain in some measure the aromatic and invigorating qualities possessed by tea.

The leaves of the strawberry, black berry and raspberry gave very satisfactory results. The authorities who have been brewing these leaves came to the conclusion that strawberry leaves were superior to all rivals, and that refined palates which had been regaled with strawberry tea have no desire to return to the "much over-rated and costly Chinese product."

HOGS SELL AT \$11.30

Chicago, Aug. 26.—Hogs sold for \$11.30 a hundred pounds at the Union Stock yards here, the highest price since the Civil War. Dealers predict an advance to \$12 in September. A further advance in the price of beans is expected, dealers said. A year ago beans cost the housewife five cents a pound. The retail price now is eleven cents. The demand for beans for European armies and for United States troops along the border is said to be the principal cause for the advance.

Wonderful Bilius Remedy Actually Prevents Attacks

There are two great causes of biliousness—they are constipation and defective liver action. When Dr. Hamilton's Pills are taken, they not only correct constipated bowels, but act upon the liver as well. Quite unlike ordinary medicines which purge and give temporary relief, Dr. Hamilton's Pills remove the conditions which cause biliousness, and thus permanent cures are effected. No person who occasionally uses Dr. Hamilton's Pills will ever suffer from the headache, bad stomach or bilious complaint. Get a 25c box today.

Sir Sam Hughes Reviews Troops

LONDON, Aug. 25.—Sir Sam Hughes was met shortly after his arrival in France by his son, General Garnet Hughes, with whom he immediately motored to the Canadian battle lines. Next day he reviewed most of the Dominion troops along the front or in the vicinity. He spent part of the following day at the Canadian corps headquarters, conferring with General Sir Julian Byng, commanding the Can-
