The death of Charles Clark of Wilnot Valley occurred on Saturday morning after a brief illness of less than a week of pneumonia. Mr. Clark had a number of similar attacks in recent years. Deceased was a farmer and butcher and was well known throughout this part of the province. He was about sixty years of age and leave to mourn eight daughters and three sons. His wife predeceased him a few years ago. The daughters are Mrs. Ruben Dickleson, Wilnot; Mrs. Darrach, Woodside and Mrs. William Woodside, Clinton; Mrs. J. A. Harding, Norboro; Mrs. Mountain in Massachusetts; Mrs. Gordon Schurman, Sherbrook; Misses Hattie and Evelyn at home, The sons are Richard, Wilnot Valley; William and Fred at home. Edward Clarke of Wilnot Valley is a brother of deceased. The bereaved relatives will have the sympathy of a large circle of friends.

The body of Arthur Ramsey, who was killed by an accident last month in the stone quarry of the Pyke Manufacturing Company of Pyke New Hampshire, passed through the city today, in charge of William Ramsey, brother of the deceased man. Burial will take place at Northam, P. E. I., the former home of the deceased. The accident by which Arthur Ramsey met his death occurred on the 24th of last month. It was Mr. Ramsey's duty to attend one of the handcars used in the quarry for the removal of heavy stones. The car which he was attending at the time rested upon a truck of four small wheels, so arranged as to throw the car off its balance if the least undue pressure be brought to bear on either end. As Mr. Ramsey was wheeling his car loaded with stones, round a curve, some way it lost its balance, and tipped over, precipitating its heavy contents upon him. His side and back were crushed in by the heavy stones, and he was picked up in an unconscious condition. William Ramsey, the injured man's brother, who was working in Massachusetts at the time, was notified by telegram of the accident with which his brother had met, and at once repaired to Pike. The best medical aid in New Hampshire was called into requisition, eight physicians in all being in attendance upon the unfortunate man, who after lingering for a week expired. Arthur Ramsey was a young man, twenty years of age, and had been in the United States for some time.—St. John Sun.

A VERY GOOD RULE

It is well known that the majority of human ills arise from constipation of the bowels and on this account many people make it a rule to see that the bowels move once every day. If you are subject to constipation you can be cured by the use of Dr. Chase's Kidney-Liver Pills. These pills not only make the bowels active but by their action on the liver ensure a regular flow of bile, nature's own cathartic and so remove the cause of serious disease.

Piles To prove to you that Dr. Chase's Ointment is a certain and absolute cure for each and every form of itching, bleeding and protruding piles, the manufacturers have guaranteed it. See testimonials in the daily press and ask your neighbors what they think of it. You can use it and get your money back if not cured. See a box at all dealers of EDMANSON, BATES & Co., Toronto. **Dr. Chase's Ointment**
