Odds Are Against Challengers To Win Davis Cup

CUBS GAIN ON IDLE OPPONENTS

(A. P. By Guardian's Special Wire) CHICAGO, July 26—Chicago Cubs, who were able to sit on the sidelines and chuckle during the past few days while New York Giants and St. Louis Cardinals were engaged in their throat-cutting series at St. Louis, found another cause for mirth today when they trimmed Cincinnati Reds 5-1 in the series opener while their National League rivals were idle.

The triumph gave the Cubs a full game margin in second-place and left them only 2 1-2 games behind the Giants. It was their 19th victory in their last 22 games.

The Cubs had little trouble flogging up their sixth victory in a row although they were out 9-8. The Reds tossed in three errors, two of which helped start Chicago off on the road to victory in the fourth after Cincinnati had scored its only run.

French pitched a steady game after successive singles by Jim Bottomley, Ival Goodman and Ernie Lombardi had produced the Cincinnati tally. Stan Hack's fourth inning single cashed in on two Red misplays in the fourth, scoring Gaby Hartnett and Frank Demaree. Hartnett had reached first when Kiki Cuyler, making his first appearance in a Cincinnati uniform against his old mates, muffed an easy fly and Demaree reached first on Lew Riggs' wild throw.

The Cubs then padded their margin by scoring a run in each of the next three innings. Aussie Galan singled and Phil Cavarretta doubled in the fifth; Stan Hack hit a two bagger and Bill Juresca a single in the sixth and after Don Brennan had relieved Paul Derringer on the hill for Cincinnati in the seventh, Galan singled, took second on Bill Herman's infield out and scored the final run on Hartnett's base hit.

LEYLAND'S FIRST HAT-TRICK

SHIGFIELD, England—Maurice Leyland, sterling Yorkshire all rounder, has accomplished many fine cricketing feats for England and his county. In a recent match against Surrey he performed the hat-trick to bring the southern county's inning to a dramatic close.

KEPT STRAIGHT COURSE

LONDON—The sub-fours event in the British Women's amateur rowing association annual regatta

(C.P. By Guardian's Special Wire) LONDON, July 26—One of London's biggest betting commissioners tonight offered odds of 7 to 4 against the chances of the United States taking the Davis Cup in the challenge round opening tomorrow.

The challengers nevertheless were highly optimistic after today's draw, which will put the redoubtable Wilmer Allison against H. W. Bunny Austin in the first singles match, leaving Fred Perry, world's no. 1 player, against the brilliant young Donald Budge of California.

The United States forces figure that while Perry cannot be beaten in his two singles, Allison starting fresh tomorrow has better than an even chance to take Austin, while the doubles are clinched for the challengers and Budge should beat Austin for the deciding win on Tuesday.

The British don't see it that way at all. Dan Maskell, the veteran coach of the defending team, predicted tonight England would retain the mug by the same 4-1 margin as last year.

Maskel was even dubious about conceding the doubles to the United States, when G. P. Hughes and C. R. O. Tuckey meet Allison and Johnny Van Ryn next Monday.

"Don't forget," Maskel told a United States enquirer, "that they beat your pair in the Queen's Club tournament before Wimbledon. Allison and Van Ryn are not the team they used to be."

Allison, the 31 year old Texan who will start the ball rolling against Austin at 2:30 p. m. (10:30 a. m. Atlantic daylight time) tomorrow in what may prove to be the key match at the climatic series, refused to get agitated over the betting odds.

"If I play like I did against Veygram in the inter-zone final, I'll not worry," Allison declared. "Austin beat me two years ago in the interzones at Paris but that was on a hard court. We're playing on turf this time."

The sensational Budge, who celebrated his 20th birthday only a few days ago, proved equally impervious to the electrified atmosphere although he will be playing in a challenge round for the first time.

Asked if he were nervous at the prospect of meeting Perry, the youngster drawled: "Nervous? Why haven't I got to get nervous about it? It's only a tennis match. Isn't it?"

It was the consensus of experts who watched the final practice sessions of both teams that the final decision would probably hinge on the outcome of Allison's match with Austin. The draw gives Allison his crack at England's second-string player while still fresh, was regarded as a big break by the invaders.

at Hammersmith was won by a blind crew. The oarswomen represented the sports club for the blind. They defeated a mixed crew from the Lyons and Furnivale Club.

Yankees Relinquish Lead To Tigers As New Yorkers Are Beaten By Senators 9-3

(A. P. By Guardian's Special Wire) NEW YORK, July 25—Washington Senators, whose series here was considered as a possible means of getting New York Yankees back on the hitting and winning track, stepped out of character today long enough to belt over the Yanks 9-3 and deprive them of their last claim to the American League lead which they had held without interruption since May 30.

The Senators won despite the fact that Ed Linke, who started on the hill, was hit on the side of the head by Jessie Hill's liner in the second inning and was carried from the field in a semi-conscious state. J. Millard (Whitey) Hayes, rookie flinger was sent for hurriedly and limited the Yanks to eight hits in seven innings to get credit for the victory.

Although the only visible sign of damage to Linke was a lump on his head, he was taken to a hospital for X-ray examination. He was believed to be suffering from a severe concussion. The injury led to one of the oddest plays of the season. The ball, striking the left side of Linke's head, bounded high in the air and catcher Jack Redmond dashed

down the third base line, caught the ball before it touched the ground and made a quick throw to Red Kress at second to double Ben Chapman off the base and end the inning.

Leading 2-0 at that point, the Senators went on to win mainly because of two home runs by Heinie Manush. He hit the first in the fourth inning with the bases empty to start a two-run rally and the second with the corners crammed in the seventh to wind up a five run rally that drove Johnny Broaca to cover.

Tigers Achieve Objective

Detroit Tigers cleared up any doubts about their status in the pennant race which had been left after their series with New York Yankees by trouncing Cleveland Indians 8-2 in the series opener at Cleveland and taking a clear hold on first place today.

The victory and the Yanks' defeat by Washington put Detroit 1 1-2 games ahead and provided a triumphant climax for their climb in the standings. The move into first place today came a week ahead of last season's advance, when the Tigers took the lead Aug. 2 and never were headed.

Two rousing attacks on Thornton Lee in the sixth and seventh innings clinched the game for Mickey Cochrane's team, bringing in five runs to break up a tight mound duel between Lee and Elden Auker.

NEW SOCCER MANAGER

HARTLEPOOL, England—James Hamilton, who spent 10 years with Crystal Palace, has been appointed manager of Hartlepool United, third division, northern section club of the English Football League. He succeeds Jack Carr who left to take up an appointment with Tranmere Rovers.

BOY ATHLETE'S FINE FEATS

SEAFORD, Sussex, England—C. E. Johnson, Seaford College student, at the school sports won the 100 yards in the excellent time of 16 seconds after doing 10 1-10 seconds in the heats and running the 220 yards in 22 8-10 seconds. Johnson cleared 20 feet, seven inches in the broad jump and won the 120 yards hurdles in 16 3-10 seconds.

WENT OVER BIG

LONDON—Don Budge, youthful Californian, was playing Baron Gottfried von Cramm in Wimbledon's centre court when Queen Mary entered the royal box. The Baron bowed stiffly, Budge hitched his trousers, looked embarrassed and finally waved and grinned at her Majesty. The Queen bowed and smiled.

DOWN THE BACK STRETCH

For the information of our Maritime friend and others who may be interested, we have looked into the Futurity conditions of the Prince Edward Island Harness Racing Club and find that colts nominated must be foaled in the Maritime Provinces and trained in the Maritime Provinces, nominators to give name, colt, sire, dam, sex and markings at time of second payment.

Next Wednesday afternoon Jimmie Milligan will be "at home" to horsemen and lovers of horse racing at his beautiful plant, Northam. That many thousands will be present is a foregone conclusion. Northam races always draw big crowds and with the good program this year and the surety of high class racing the attendance will be as big as any we have had in the past. Start early, enjoy the beautiful nature, have dinner with Jimmie and be all set for the first heat at 2 p. m.

The two day's race met at Woodstock, N. B. Wednesday and Thursday with six beautiful plants, Northam. This seems rather remarkable when you consider that the purses were only \$100, each, not enough to pay caretakers, shoeing and transportation expenses if one won first money. The winner of fourth money would get a net of about enough to pay for the nails that went in his horse's shoes.

The classes for exhibition races, Charlottetown, August 20th, 21st and 22nd were announced and are practically the same as last year, just a second knocked off here and there to give more horses an opportunity to compete. It will be the Maritime's banner program and should furnish as good racing as last year—which will be good enough.

We had a letter from Professor S. A. Rockford yesterday stating that his horses are now ready, in fact Lone Eagle is almost tramping himself to death in the stall waiting for his ring being thrown. C. 210 1-2 has worked in 2:14 1-4 with the last half in 1:03 1-2. She is a 215 eligible and will be seen in action at Charlottetown Exhibition. The Professor has two or three others in his string, and he has been keeping under wraps with the intention of springing a surprise on the boys at Exhibition week. We will all look forward to seeing the general Professor as what would a race meet be without him?

The writer had a telephone conversation with Jim McIntyre yesterday afternoon re Molague races August 7th. Jim states that Fred Cameron worked a horse over the track in the morning and said it was as fast as lightning. You will remember that a record of 2:07 1-4 was made by Patrick Direct last season.

In order to cater to horses that want to stay over night the management has arranged a number of permanent stalls. They are also making arrangements to improve the watering system which was used to such good effect last season keeping down the dust and making the track fast.

The big new grand stand has come through the winter in great shape and with the finishing touches which will be put on the plant between this and August 7th, everything will be at its best from a racing and the class standpoint. The classes announced are: 212 Trot and Pace, 215 Trot, 219 Trot and Pace and 227 Trot and Pace. The first has a purse of \$300, and the others \$250, each, making a total of \$1050, for the day's racing. A large amount of purses that will draw quality entries. There is no need to tell you about last year's races, they are vivid in anyone's memory who was there, and the aim is to have this season's equally as good.

Harness racing which had lost considerable popularity in Manitoba seems to be coming back strong again. The 70 day's program in connection with the Portage Industrial Exposition at Portage la Prairie enjoyed very large crowds and the class racing was of the very highest order. The track record of 2:08 1-4 was lowered to 2:07 1-4 by Peter Inworthy who won the 215 pace in straight heats. This horse looks to be the makings of a two minute pacer and is considered one of the best prospects in the province. He has turned out since Winnipeg 1:57 3-4 appeared.

When Jack Orr won the Village Farm two year old stake, purse \$3,300, at Toronto recently he set up a new Canadian record for 1 year olds of 2:05 3-4. He is owned by Gibson White, a son of Ben White, and was driven by Tommy Berry.

Rosalind, owned by the same young man and driven by Tommy Berry, won the Rainy Day Sweepstakes, being attraction for two-year-old trotters on the Grand Circuit program at North Randall.

When Claire Napoleon, owned by Dr. F. Bowness, Kensington, won the third heat of the 222 Trot and Pace at Alberton in 2:15, she is said to have been separately timed the last quarter in thirty seconds.

This mare has terrific speed and with the little adjustments which are being made she should be one of the top flight pacers at Charlottetown meeting.

Peggy Longset, owned by Frank Calbeck, Summerside, is much improved over last year's form, although she showed up real well on one or two occasions last year. She now sports a record of 2:18 1-2.

Bob Oh Boy who won the first heat in the 228 Trot and Pace at Alberton in 2:16 is said to be well worth watching. His training has been limited and the record of 2:16 is therefore all the more creditable.

Charlie Ballard, proprietor of the North Sydney track, believes in truthful advertising. In a recent poster advertising his July 24th races this appears: "Impossible to give decent purses with other expenses for anything less. Believe it or not I am not much of a liar. (Signed) Ballard. Naming the horses that would probably start in the Free-for-All he ended up with: "May start or may not."

Flo Abbe 212, well known to local race goers, is said to have worked the North Sydney track recently in 2:08.

Tracy Hanover took a record of 2:08 in a winning race on the Grand Circuit two weeks ago. He is owned by John E. Kelly of Bangor, Maine, whose horse was formerly campaigned by "Red" Hanafin.

Entry lists of 15 and 20 in a class are not unusual in Ontario this season. The Ford V-8 Stake to be raced at Exceter, Ontario, July 31st drew 15 entries. The Chevrolet Stake 10 entries; the Central Hotel Stake 12 entries and the Chrysler Stake for 228 pacers 32 entries. evidently race horses are as thick as flies in Ontario. A tough place to win any money, we would think.

Angel Child is the name of one of the most popular trotters on the Grand Circuit this season. She has started in four races and won all four. Last year she was one of the top trotters over a half-mile track.

Gaiety Mite bay filly, by Volomite 2:03 1-2, dam Gaiety Guy by Guy Axworthy, won the two year old trot at the Grand Circuit meeting Toledo, taking a record of 2:11 1-2. She is out of the same dam as Lusty Frisco 2:07 3-4, owned by Charles Chandler of this city.

In the classified pace at Northampton, Mass. half mile track, Miss Crummer was 1, 1st best time 2:09. Guy the Tramp was 1, 7, in the classified trot and pace, winning his mile in 2:07 3-4.

The Sherbrooke, Que. races, July 4th in connection with their Fair attracted large attendances and the racing was hard fought and excellent time resulted in nearly all events. Cruikston Queen, driven by her old friend Potvin, won the 218 pace in straight heats and incidentally entered the 210 list by winning the first heat in 2:09 1-2, the fastest heat of the meeting. Two years ago she was advertised for sale in the Canadian Sportsman and a party in Charlottetown wrote for price—\$400. was the quotation. She would have been a good buy as she has raced exceptionally well ever since.

At the same meeting the 218 trot was won by Miss Phylla after Imperial Axworthy had won the first heat in 2:10 1-2. The 224 pace was won by Victor Direct, best time 2:10 1-2. The 215 pace was won by Emalou, best time 2:10. The Sherbrooke track is about on a par with Charlottetown, so you can form an idea of the quality of the racing by that.

We note where a horse by the name of Tom Longboat won the 222 Pace at Cammen, Manitoba, entering the 210 list in the second heat with a mile in 2:09 3-4. Tom Longboat will be remembered by some of our older sportsmen as the greatest Marathon runner of his day. He was a full blooded Indian and became the popular idol of the sports world by winning the Boston Marathon.

The following summaries have been handed to us by Dr. J. M. Nicholson. They will revive memories of horses that were in the limelight years ago:

Northam Races Wednesday Afternoon July 31st

Every year Northam horse races are looked forward to as the best of the season. Here, north, south, east and west gather for a big afternoon's enjoyment. Here you are assured comfort, a splendid meal, ample parking space and one of the most beautiful grounds and settings on Prince Edward Island.

THE CLASSES

- 2.12 Trot Purse \$300.00
- 2.19 Trot and Pace Purse \$300.00
- 2.28 Trot and Pace Purse \$300.00

The races will be on the three heat plan with generous divisions into five monies; entrance fee 5¢ with 5¢ deducted from first and second money winners and 3¢ from third. Entries close July 26th.

The above purses and classes will bring together the cream of Prince Edward Island race horses and will probably also attract horses from the Mainland. The 212 Trot and with Heatherbell 2:10, Morning Express 2:08 1/4, Lusty Frisco 2:07 1/4 and Helen D. 2:14 1/4 will be worth a long drive to see.

Northam has always been famous for its catering and at this race meeting hot dinners will be served on the grounds by the ladies of the different churches in the vicinity of Northam. Those coming from a distance will appreciate a feature of this kind. Races start at 2 p. m.

Free dancing will be provided in the big newly constructed dance hall afternoon and evening and will be continued until 12 p.m. The best of music will be furnished.

Supervised auto parking free.

TOO MERCIFUL IN CRICKET

GAS FIELD TESTS VERY FAVORABLE
(By The Canadian Press) REGINA, July 25—Enough natural gas to supply needs of Regina and other Saskatchewan cities is assured according to results of official tests in the Lloydminster field.

Resources department officials say a big commercial flow of gas is available, amounting to 42,600,000 cubic feet daily, with 410 pounds pressure to the square inch.

"LET ME GIVE YOU A LITTLE ADVICE ABOUT OIL"

"ALL THE ADVICE I NEED IS 'STICK TO QUAKER STATE.' I'VE SPENT ONLY \$4.95 FOR REPAIRS IN 35,000 MILES."

"I'm tired of hearing it said that women don't understand about cars. My Chevy has just turned 35,000 miles. And it wasn't on shopping trips! Four coast-to-coast runs! Six weeks in the Rockies! Every sort of hard driving. I have kept a careful record of motor repairs, and these have cost me just \$4.95. Not bad for a mere woman, eh? But seriously, I'm sure it would have been a different story without Quaker State. I've never used any other oil!"
