STORIES EXAGGERATED

LONDON, Aug. 24.—An official report from Paris says: An official German telegram announced we suffered severe reverse in Lorraine on Aug. 20th, which transformed Aug. 21st into rout, in course of which we are said to have lost 10,000 men, taken prisoners, and fifty guns, these are ridiculous exaggerations. The German success in Lorraine does not exceed that obtained by us in Alsace. The number of guns left by us in the hands of the Germans is inferior to what we captured in Alsace. The total dead, wounded and prisoners is far less than 10,000.
