TWENTY-SIX KILLED AND FIFTY INJURED

In a Rear End Collision at New Haven, Conn. Train Plowed Through two Pullman Cars Splitting them in two and Tossed Another Car into the Air.

(Canadian Press) NEW HAVEN, Sept. 2.—Twenty-six persons were killed and fifty injured, some of whom may die, in a rear end collision shortly before seven o'clock this morning in the New York, New Haven and Hartford Railway. The first section of the White Mountain express which was speeding forty an hour in a thick fog rushed by the danger signal and it is said crashed into the rear of the Bar Harbor express standing one hundred feet beyond the block signal. The White Mountain engine cleaved through two pullman cars splitting them in two and tossing the wreckage with three score of mangled bodies, some alive and some dead on the side of the track. The third car, occupied by forty boys returning from camp, was tossed completely into the air, fell on its side and crumpled up crushing two boys to death and injuring many others. This is the third serious wreck on the New Haven Railway within a year and inaugurated the first day of the regime of Howard Elliott, the newly elected head of the road.

PRESIDENT BACK TO WASHINGTON

(Canadian Press) WASHINGTON, Sept. 2.—President Wilson returns to Washington tomorrow from Cornish, N. H., and is expected to meet Wm. H. Hale, now enroute from a special mission to Mexico for the administration.

A SUMMERLESS YEAR

Snow and Ice in Plenty in June, July and August. The year 1816 is spoken of as the year that had no summer. On June 4th, Canada, the Maritime Provinces, Maine, Vermont, Massachusetts and parts of New York, Pennsylvania and Connecticut were covered by a mantle of snow several inches deep. In parts of Canada and Vermont the snow fell to a depth of nearly a foot.

TINY WIRE STRAND GROSSES ICY WASTE

Telegraphic Work in the Far North Means Much Hardship. From Ashcroft, on the old Caribou road to British Columbia, winding northward for 2,500 miles, runs the Yukon telegraph, the most remarkable feat of engineering in the world. It is a feat of engineering in the world. It is a feat of engineering in the world.

FACTS ABOUT THE FLY

Those who have any compunctions of conscience over swatting the fly can find plenty of justification for their cruelty to the pestiferous insect in the following data: Diseases that have been traced to the fly with total number of deaths from each in the city of New York for an average of five years were: Typhoid fever 658, Tuberculosis (all kinds) 10,292, Cholera infantum 6,398, Cerebro-spinal meningitis 404, Diphtheria 1,829, Scarlet fever 1,028, Bronchitis 1,408, Smallpox 3.

NEW WRITING MACHINE

A new machine, called the stenotype enables the shorthand writer to get from four hundred to six hundred words a minute upon paper in an absolutely correct and accurate form. The basis of operating the machine is phonetic spelling. While the work done is virtually the same as done by shorthand, it has the advantage of being recorded in plain English characters.

THE APPELLATION "REVEREND"

is purely born of courtesy. There is no legal warrant for its use. The dialects of the world number 3424 and one-fourth of them are Asiatic. Five hundred dollars was paid for the goodwill of a humble coffee stall in London. More than 900,000 persons receive old age pensions in England.

Forty Years' Service

Mr. John Cowan of the Toronto Customs office has an enviable record of forty years in the public service. During that long time he was never five minutes late at his post, and he was not off duty five minutes on account of illness.

THE LABOR UNION IN DIFFICULTIES

Action of Authorities Places Union where it was before Legalized. London, Sept. 2.—Earl Beauchamp first Commissioner Public Works, today refused to accede to the demands of the union federation that non-union workmen shall not be employed on government jobs.

MURDER TRIAL IN SYDNEY

(Canadian Press) SYDNEY, Aug. 2.—The Supreme Court rooms are crowded to the doors today for the preliminary hearing of Frank Haynes, San Francisco, charged with the murder of B. S. Atkinson, proprietor of the Minto Hotel and a prominent Sydney horseman, on Aug. 15th.

THE WEATHER THE TEMPERATURE TIDE, MOON E C

(Special to the Guardian) Toronto, Sept. 3.—Moderate winds a few scattered showers, but moderately fair and warm. The weather yesterday was beautifully mild, continuing clear at night. The highest temperature recorded yesterday was 78 degrees above zero and the lowest was 66 above. The lowest the previous night was 60 above. At nine a.m. it was 70 above and at nine p.m. 66 above. The tide will be high this afternoon at 12.28 and tomorrow morning at 12.48 and Friday at 1.24. The sun sets this evening at 6.35 and tomorrow at 6.34; it rises tomorrow morning at 5.24 and Friday at 5.25. The moon sets tonight at 7.53. There was a new moon on Sunday August 31st, at 4.38 p.m. The first quarter of the new moon will be on Sunday, Sept. 7th, at 9.06 a.m. The length of today will be 13 hours and 12 minutes.

THE NET CLOSES AROUND THAW

Must be No More Delay in Habeas Corpus Writ Says Attorney General.

(Canadian press) Sherbrooke, Sept. 2.—There was more delay today in the fight against the return to Matteawan Asylum for the criminal insane and tonight Harry K. Thaw is in his cell at Sherbrooke to remain until Superior Judge Matthew Hutchinson renders his decision on question of sustaining or dismissing the habeas corpus writ. The arguments on which were heard today. Decision will be rendered tomorrow or Thursday. At the opening of the hearing Thaw faces Aime Geoffrion special emissary from the Attorney General and from his lips Thaw heard that the Attorney General is insistent that there shall be no more delay in the case of the habeas corpus writ failing other steps that may be taken to ensure Thaw's release and seizure by the immigration authorities.

J. O. F. FAVORS LUMP SUM PLAN

TORONTO, Sept. 1.—The Supreme Court of the Independent Order of Foresters by a vote of 200 out of 206 have approved of the bill passed at the last session of the Dominion Parliament, under which the revenue of the Order is to be increased and the finances placed upon the surest kind of foundation. For six hours the discussion continued. The Supreme Chief Ranger, Elliott G. Stevenson, K. C., pointing out as the debate progressed, the benefits under the new bill. This bill which is now binding upon the Order requires it to provide at once for the deficiency in the assets upon the valuation according to its own experience at 4 per cent interest.

THREE SCHEMES

There are three schemes embodied in the new bill, under any of which the finances of the institution may be so increased as to provide for every contingency to which any fraternal organization may be subjected. The plans allowed in the bill are as follows: 1. By levelling a lump sum assessment against each of the members the aggregate of which will equal the amount of such deficiency, which lump assessment will be made payable October 1, 1913, or at the option of the member may be made a charge against his benefit certificate.

ABOLISHING SASH WEIGHTS

In the construction of houses sash weights are being largely dispensed with, automatic devices taking the place of the weights. This innovation is said to greatly simplify and economize the operation of finishing houses.

ANNOUNCEMENTS, COMING EVENTS, MEETINGS, ETC

HARD GOAL TRUST IS ATTACKED

Suit Begun for Dissolution of Large Combine in Anthracite.

(Canadian press) Philadelphia, Sept. 2.—Attorney General McReynold's first and most important attack of the Hard Coal Trust was begun today with the filing of a civil suit for the dissolution of the Reading company's control; of coal mining and coal carrying railroads the most potential combination in anthracite fields.

SERIOUS PLAGUE IN EQUADOR

(Canadian Press) WASHINGTON, Sept. 2.—The plague is assuming alarming proportions near the Equadorian port of Eya Yaquil, according to reports received today. LUNCHEON TO DR. GORDON. Previous to his departure to Brandon where he will take up his work as professor of theology in the Brandon College, a number of friends of Rev. Dr. Gordon, late pastor of the First Baptist Church gathered at the Edinburgh Cafe, Montreal on Thursday noon to tender him a farewell luncheon. There were nineteen guests in all, including Dr. Gordon and his wife. Each of the Baptist churches in the city was represented and each representative in turn expressed the regret felt at the departure of Dr. Gordon from the city where for the past fourteen years he had done such good work for the denomination and society as a whole, and wished him well in the new work which he is about to take up in the west. The Rev. Gordon Baker, pastor of the Temple Baptist Church, was the chairman, and among those present were Messrs. L. H. Packard, H. A. Barnard, Leslie Edward, C. P. Rice, J. H. Reid, A. E. Tupperham, Arch. Waters, Louis Waters W. Elliot, Welton, J. H. Roberts, Dr. Cameron and Rev. Mr. Wilson. Dr. Gordon replied in an address which was reminiscent of his work in the city where he had spent the best years and devoted the highest energy of his life to the forwarding of the work in which he had been engaged for over a generation. Dr. Gordon leaves for Brandon this week. TO BANQUET R. L. BORDEN. OTTAWA, Sept. 2.—(Special)—Premier Borden may be given a banquet by the Conservatives of Quebec City on September 21, the date of the second anniversary of the elections of two years ago. Last year he was tendered a banquet in Montreal on September 21. The Quebec banquet, if arrangements are completed, will be attended by most of the Cabinet ministers and many prominent Conservatives from all parts of the Dominion.
