A REALLY HELPFUL WEL-COME.—Amongst the many remarks and changes in different localities in the past few months is that of Mr. David W. Robinson and his wife who was formerly Miss Mabel Boudry of Winsloe, from Brackley Point to Winsloe South to the farm owned and occupied by the late Mr. Amos Boudry. Keenly felt indeed by the people of Winsloe was the death of Mr. Boudry and while his place cannot be filled all believe that Mr. Robinson will soon make for himself a place in the heart and life of the community. Mr. Robinson is but a year and a half returned from overseas where four of the best years of his manhood's strength were given in his country's service. A right royal welcome, not in words but in deed, was tendered him by the community of Winsloe when some ten or dozen men and teams appeared suddenly on the scene on Wednesday, May the 11th and put in the afternoon turning over the soil in the uncultivated fields. Such an act in these crowded days when help is at a premium and time is gold, speaks volumes for the generosity and large-heartedness of the people and does wonders to strengthen the spirit of a man and makes him feel that a place is open for him. No kinder wish could we have for Mr. and Mrs. Robinson and for all the good people of Winsloe than that prosperity and good deeds might continue to go hand in hand with them through life and that their community may be blessed as they themselves bring a blessing upon it.
