THE examination of the Hazel Grove School took place on the 30th inst., and was highly creditable. The teacher, Ernest Weeks, has agreed to remain in the school a fourth year.

SPECIAL attention is called to the ad. in this issue of the Harbor View House, North River. This house is pleasantly situated about four miles from the city would do well by making enquiries before arranging for the summer's and tourists' outing.

WEST ROYALTY NOTES.—The crops here are above the average.—Two of our prominent wheelmen rode as far east as Morell on Dominion Day and back on Sunday.—Mr. William Wright is making some improvements in his beautiful home at Harbor View. Parties seeking summer outing would do well to call on Mr. Wright as he is now in a position to accommodate a number of tourists.—We are pleased to state that our efficient teacher Miss McPherson takes charge of West Royalty school again for another year.

ON Saturday June 24th, Eddie McDuff, of Bon-ton, mounted on a Columbia bevel gear chainless bicycle and paced by a tandem succeeded in breaking two world's records in the face of a severe wind and thunder storm. The machine was the regular chainless road wheel with a somewhat higher gear than the ordinary equipment. McDuff made the quarter mile in 22 seconds thus cutting 2-5 of a second from each record formerly held by "Mayer" Taylor. Messrs Rogers & Rogers with stores at Charlottetown and Summerside are sole agents for the Columbia Bicycle for this Province.

THE mid-summer examination of Alma School, Lot 3, took place on Tuesday 27th inst. The attendance of parents and visitors was quite large. The examination which was conducted by Chas. A. Hardy, Esq. and Rev. A. D. McDonald was most satisfactory throughout, proving conclusively that good and faithful work had been done both by pupil and teacher. The whole tone of the school, intellectual and moral is healthy and hopeful indicating on the part of the teacher not only a deep knowledge of child nature, but also the possession of those rare gifts and instincts which continue to make the successful teacher. At the close of the examination short addresses were given by Messrs. John F'ev, Thos. O'Brien, Jas. B. Mount and by the examiners, all of whom expressed themselves as being well pleased with the progress made by the children and the general condition of the school. Mr. George Hardy has been in charge of the Alma School for the last three years and now resigns his position to enter upon the study of medicine. It is needless to say that his resignation is accepted with deep regret and that he carries with him the very best wishes of the whole community upon which his noble character has left a powerful impress for good.

Stewart & Gates

A TERRIBLE accident happened at Montague yesterday morning. Thomas Hume, a son of David Hume, Esq., of Lot 61, who had been engaged in McDonald's Mills for the past year, while attending the shingle gear was caught by the belt and drawn under the saw, with the result that one of his legs was severed between the ankle and knee. His leg was badly broken about the knee and pulled out of the thigh socket. He was also injured about the head and internally. Shortly after the accident he commenced vomiting blood. Medical skill was summoned; but despite all that could be done, he only survived about half an hour after the accident. Deceased, who was about 22 years of age, was a most exemplary young man, and was highly respected by all who had the pleasure of his acquaintance.

ADDRESS OF CONDOLENCE.

To Miss Katie and Messrs. William and John MacLeod.

DEAR SISTER AND BROTHERS: It is with feelings of profound sorrow and regret that we learn that we Angel of Death has entered your home and has taken for its victim your beloved mother.

A loved one from your home is gone, A voice you loved is stilled; A place is vacant in your home Which never can be filled.

We, on behalf of the members of Pearly Stream Division, No. 200, S. of T., wish to convey to you the assurance of our deepest heartfelt sympathy in this your sad affliction.

Realizing in a measure your sorrow under such trying circumstances we would endeavour to comfort, console and cheer your bereaved hearts by the words of our Saviour: "Peace I leave with you; my peace I give unto you; not as the world giveth, give I unto you. Let not your hearts be troubled neither let them be afraid. "May you, dear sister and brothers realize that He is your only refuge in the time of trouble, and if you place your trust in Him "who careth for you" He will guide you safely through this lonely vale of tears and when life's labor is ended be waiting with out-stretched arms to welcome you to the mansion of the Great Patriarch above, whither as our elder brother He has gone to prepare a place for those who love him." Then will the reunion be all the more joyful because of the separation here below.

This we present in the name of and on behalf of the members of Pearly Stream Division, in Love, Purity and Fidelity.
